## **EDITOR'S VIEW**

**It's been an honour to edit this wonderful book. I Praise almighty God for allowing me to be part of this book. It enlightened me on how can we have a better life. The book gave me insights about what I need to do in order to give better life to my kids. The references from the Holy Bible are commendable. I could sense the kind of hard work Pastor has put in is praise worthy. This book is worth reading because it has touched a new perspective of better life.**

**The book certainly will be an eye opener for people who are longing to have a better life. I wish all of you a happy reading.**

**Thank you**

**N. Solomon Benny, M.Sc., M. A., M. A.**

*How can we have*  
**THE BETTER LIFE**

**Everybody thinks and plans for a better life**

**Every person on the face of the earth thinks and plans for a better life. Some will achieve that and some will fail. If we look from the beginning to end of the human cycle, we can learn a lot on this subject.**

## The Better Life for the Child

Every parent thinks greatly for the children. They join them in the best school by sparing huge money to spend. In India the corporate schools make huge money out of this. Parents aim is to give good education to the child. Their motto is to give better life for the child. I know lot of people in my life, who have done these kinds of things. Some fulfilled in their dreams of the parents in their lives. Some gave the bad results to the parents. What is the reason for these results? Some parents say, we joined them in good schools and gave every best thing for them. We don't know why they spoiled like this?

**The answer is very simple, “Train up a child in the way he should go: and when he is old,  
he will not depart from it - Proverbs 22:6”**

**Parents must know about the truth of children. Children are the best imitators. They don’t listen what we say, they will follow what we do. Lot of parents are failing in this. They tell good things for the children, but they fail to show that good in their daily life.**

### **Some sayings regarding the children**

**“Mother is the first teacher for the child”**

**“Mother’s heart is a class room for the child”**

**“As the mother so the daughter”**

### **Some sayings regarding the children from Bible**

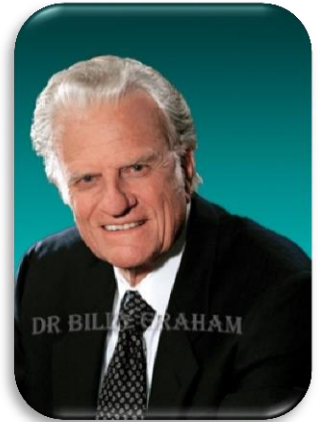

**For I have chosen him, that he may command his children and his household after him to keep the way of the LORD by doing righteousness and justice, so that the LORD may bring to Abraham what he has promised him - Genesis 18:19”**

**“You shall teach them diligently to your children, and shall talk of them when you sit in your house, and when you walk by the way, and when you lie down, and when you rise -  
Deuteronomy 6:7”**

**“The rod and reproof give wisdom, but a child left to himself brings shame to his mother -  
Proverbs 29:15”**

## **Some sayings regarding the children by God servants**

**“The family should be a closely knit group. The home should be a self-contained shelter of security; a kind of school where life’s basic lessons are taught; and a kind of church where God is honored; a place where wholesome recreation and simple pleasures are enjoyed”**

**Billy Graham**

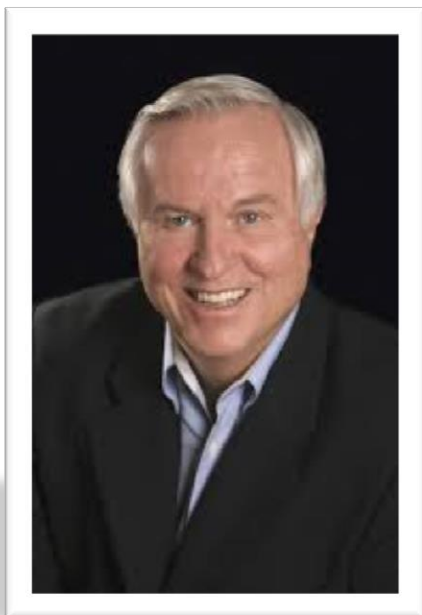

**“I believe that if an angel were to wing his way from earth up to Heaven, and were to say that there was one poor, ragged boy, without father or mother, with no one to care for him and teach him the way of life; and if God were to ask who among them were willing to come down to this earth and live here for fifty years and lead that one to Jesus Christ, every angel in Heaven would volunteer to go. Even Gabriel, who stands in the presence of the Almighty, would say, “Let me leave my high and lofty position, and let me have the luxury of leading one soul to Jesus Christ.” There is no greater honor than to be the instrument in God’s hands of leading one person out of the kingdom of Satan into the glorious light of Heaven.”**

**Dwight L. Moody**

**“Let no Christian parents fall into the delusion that Sunday school is intended to ease them of their personal duties. The first and most natural condition of things is for Christian parents to train up their own children in the nurture and admonition of the Lord”**

**Charles Haddon Spurgeon**

**“We do not develop habits of genuine love automatically. We learn by watching effective role models – most specifically by observing how our parents express love for each other day in and day out”**

**Josh McDowell**

## **My Personal Experience with my Child**

**G**od blessed me with one son. As the matter of fact, I asked God for that boy. Before the birth of that boy, my wife and I dedicated him for the ministry. Some people mocked and said how do you know that you will get boy child? God gave us the boy child and we stood on our word and trained him for that from the beginning. Some questioned me how you will decide that your son will become God's servant? Then I explained to them how the Indian parent does for the children. Generally the Indian parent decides the future of the child. If they want to make him as doctor, they join in that course, same way to the other courses. I questioned them how you decide your child's future without knowing their likes and dislikes. I told them about the Hanna, how she dedicated Samuel for the ministry, even before the boy was born. Same way my wife and I dedicated our begotten son to the ministry. We named him as Samuel. We gave very good education and the teachings of the Bible through our lives. We got the good result. Our begotten son became the great servant of God and running the whole mission in the Godly way for His glory. We gave a better life to our son through our life teaching in the practical way.

**“Imitate me, as I also imitate Christ - 1 Corinthians 11:1 HCS”**

## **The Better Life for the Youth**

**Y**outh stage is an important stage in the human life. When God wanted to make human beings, He made the youth only. He did not create infants or the old ones. He created the Adam and Eve as youth. It speaks that God love the stage of youth in the human life. Youth's roll is very important in the family, church and in the society. Youth always look for the better life. Why many will fail, only few will succeed.

The reason is the guidance. In some developed countries, many children do not know who their parents are. Under the parents care also many youth will go astray. Then what's the fate of the youth who do not have the parent care? This is the reason we are seeing that lot of youth became criminals. Coming to the youth, who are under the care of parents? Some parents feel great by giving the most luxury life to the youth. They give count less money and freedom to do every evil. They do all kinds of evil things. Some times to damage others' lives also. As they are influenced and rich people in the society, law also unable to punish them for their evil acts. I have seen many youth like that. Such youth end up their lives with suicides and some die in brutal accidents.

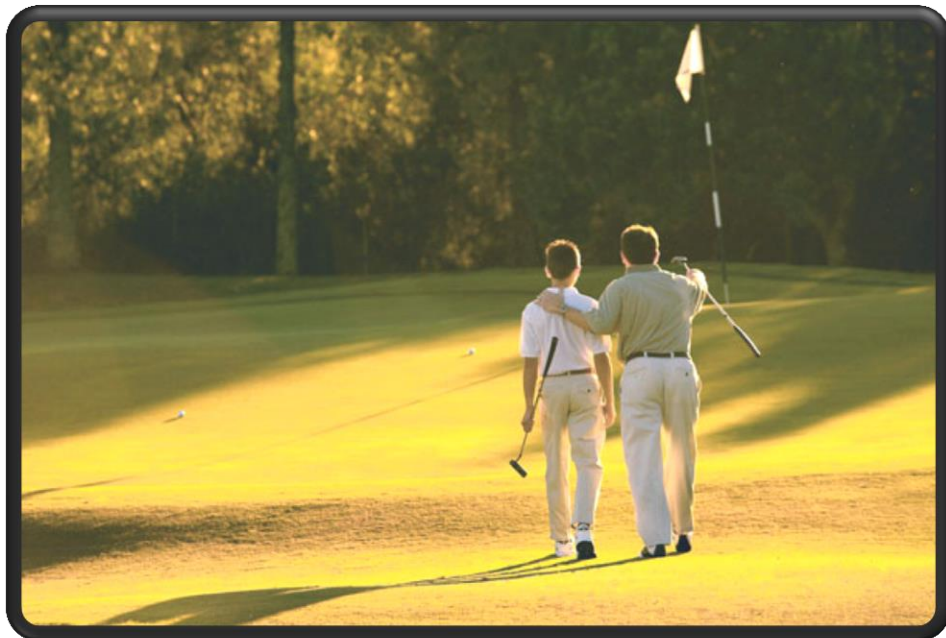

**So how can, a youth will have the better life?**

**“How can a young man keep his behavior pure? By guarding it in accordance with your word” - Psalm 119:9**

## **My Personal Experience with my Young Son**

**I** gave the best things to my son in the youth stage. I gave the good education, best house, best car, gave the best in everything, as he had the good foundation from the childhood.

He started serving God through preaching and do the church works. With the commendable education and the passions, he lived for the Jesus and continuing to serve God till now. I always used to tell my son “son if you lose me, you lose nothing; If you lose mother, you lose nothing; If you lose Jesus, you lose everything” my son grown in Jesus from the childhood, that made him become a strong vessel for Jesus.

## The Better Life for the Adults

very adult love to have the better life, for **E** that they do their best. Some people will fail and some people will succeed in their attempts. Why some people unable to have the better life? Reason is very simple; they were not in position to take the right decisions. We must do the right things in the right way. Many people think there is nothing wrong to

do the right things in the wrong way. Some people to have the better life, they chose the shortcuts to make things fast. Some will chose the black money business, some will take up the drug business, and some will take up the mafia gangs business. Instead of the better life they will destroy themselves with such business.

Some people will take up the business where they have no experience. The result of that, they will wind up the business in the middle. Coming to the women, some will take the wrong decisions to have the better life. One lady, whom I know well, left her husband as he is doing a small job, where he was unable to provide her luxuries. With two children she gone with an officer, who is already having wife and children. As he was the rich man, he provided all kinds of luxuries to her. She did this evil action for the better life. Instead of the better life, she destroyed the family with her own hands. Husband took another woman, living somewhere. Her grown up son died all of sudden. She is crying at son's dead body, I

did all these things to give better life for you. Here we see the lady took wrong decision to have better life. But her decision gave her the bitter life.

To have the better life one must do the things in the right way for the right cause. Then only they will reap the good things, which will leads for the better life.

## **What is the Better Life?**

Here we will see some instructions to adopt in the life to have the better life. The people who had the better life flowed these instructions and had the good results in the life. We will see all of them according to the word of God. There is life in the word of God.

**“Man shall not live on bread alone, but on every word that comes from the mouth of God -  
Matthew 4:4”**

## **Accept your own mistakes to have the Better Life**

**“Whoever hides his transgressions will not succeed, but whoever confesses and forsakes them will find mercy-Proverbs 28:13”**

**“Then I acknowledged my sin to you and did not cover up my iniquity. I said, "I will confess my transgressions to the LORD." And you forgave the guilt of my sin - Psalm 32:5”**

**F**irst and foremost thing in our lives to have the better life, we need to check ourselves and leave the sins and the mistakes which are the hindrance for us to have the better life. Many think that there is no sin or any mistakes in their life. The word of God is very clear in this matter.

**“All have turned away, all have become corrupt; there is no one who does good, not even one - Psalm 14:3”**

As the human beings we do mistakes. But we must accept and come out of them. If we don't accept our mistakes, we will be in the wrong path. We do not know where that path leads us.

## **Forgive the others Mistakes to have the better life**

**“Bear with each other and forgive one another if any of you has a grievance against someone. Forgive as the Lord forgave you -Colossians 3:13”**

**If you do not forgive others, your sins also will stand**

**“For if you forgive other people when they sin against you, your heavenly Father will also forgive you - Matthew 6:14”**

**B**y forgiving others of their mistakes, we don't lose them. It will also applicable to the family. Husband must forgive wife, wife must forgive husband. This forgiveness makes you strong in the human relations to have the better life. This is very important thing to forgive others mistakes.

## **Self-Discipline leads for the better life**

**“A man without self-control is like a city broken into and left without walls - Proverbs 25:28”**

**“For the moment all discipline seems painful rather than pleasant, but later it yields the peaceful fruit of righteousness to those who have been trained by it - Hebrews 12:11”**

**“But I discipline my body and keep it under control, lest after preaching to others I myself should be disqualified - 1 Corinthians 9:27”**

**Y**ou are captain for your ark. You must have self-discipline to have the better life. Lot of people were destroyed due to not having self-discipline. It will not lead you for the criminal acts, keeps you all the time away from the evil. Most of the people neglect self-discipline and try to discipline others. Children need someone to discipline them. As an adult, you must have your own discipline to avoid others to teach you. Some people with their brutal acts by breaking self-discipline, they face punishments, some will go to the prison. When you have self-discipline, you will have the wisdom to judge the things in the right way. That leads you for the better life.

## **Fellowship with others to have the better life**

**“Therefore encourage one another and build one another up, just as you are doing - 1  
Thessalonians 5:11”**

**“Not neglecting to meet together, as is the habit of some, but encouraging one another, and  
all the more as you see the Day drawing near - Hebrews 10:25”**

**“Two are better than one, because they have a good reward for their toil. For if they fall,  
one will lift up his fellow. But woe to him who is alone when he falls and has not another to  
lift him up! Again, if two lie together, they keep warm, but how can one keep warm alone?**

**And though a man might prevail against one who is alone, two will withstand him a  
threefold cord is not quickly broken - Ecclesiastes 4:9-12”**

**W**hen you have the fellowship  
with other people, you will  
learn many things from them  
and also they will stand with you when  
you are in the need. In the fellowship  
we will come to know where we are and  
what we are. Some people will live by  
themselves. They don't join with the  
people; love to live a life of aloof.

**I know one family, who kept themselves aloof from the society. When they lost their husband, they stayed in the house by closing the doors all times. That was the aloof area, neighbors not bothered about them. After long gap one of their relative visited them. There was no electricity to the house. The mother and the daughters are in the death bed situation. The relative took them to hospital. Daughter was dead. They took the mother to their house. She survived due to their care.**

**Fellowship makes to safe and helps you to learn many things. Humans are the social animals. Our fellowship helps us to develop our relations and business with people to have the better life.**

**“not giving up meeting together, as some are in the habit of doing, but encouraging one another and all the more as you see the Day approaching - Hebrews 10:25”**

**I myself learned a lot in the fellowship. In the fellowship we will come to know the personal and the others values. It will also teach us the adjustments and provide the advantages grow in the relations and the respects.**

**In my visits to America I was happened to be the speaker for the Christian businessmen fellowship in many chapters. That was the place where they meet and worship the God and same time it was the fellowship to share their views and thoughts for the betterment of the lives and also the business.**

## **Make yourselves busy with works**

**“Make it your ambition to lead a quiet life: You should mind your own business and work with your hands, just as we told you - 1 Thessalonians 4:11”**

**“Therefore, my beloved brethren, be ye steadfast, unmovable, always abounding in the work of the Lord, for ye know that your labor is not in vain in the Lord - 1 Corinthians 15:58”**

**D**o the work after work; it makes you busy in the life. During my visits to America, I found that most of the people do two or three jobs. It taught me a lot in my life to be busy with the works. I am always busy with work after work. In Exodus it was mentioned like this for the Hebrew women.

**“The Hebrew women are not as the Egyptian women: for they themselves are skillful in the office of a midwife; and they are delivered before we come to them - Exodus 1:19”**

Here we see the skill-ness of the Hebrew women. They do multiple works at a time. That I have seen in the American girls also. They do two three job in one day. By seeing these things I myself learned a lot and adopted the methods to do two three jobs in day. I do job after job with our any slaking. That spirit making me strong in the body and in the mind. So suggest people to do work after work. Say new jobs all times. It makes you healthy in the body and spirit to have the better life.

## **Eat different foods to keep good health**

**“And God said, “Behold, I have given you every plant yielding seed that is on the face of all the earth, and every tree with seed in its fruit. You shall have them for food - Genesis 1:29”**

**“And God said, “Behold, I have given you every plant yielding seed that is on the face of all the earth, and every tree with seed in its fruit. You shall have them for food. And to every beast of the earth and to every bird of the heavens and to everything that creeps on the earth, everything that has the breath of life, I have given every green plant for food.” And it was so. And God saw everything that he had made, and behold, it was very good. And there was evening and there was morning, the sixth day - Genesis 1:29-31”**

**“Whether you eat or drink, or whatever you do, do all to the glory of God - 1 Corinthians 10:31”**

**sually the Indian meal will be the same menu all times for the most of the people.**

**U** Preferably rice and one curry. Many will have the rice soup only. Coming to my life in youth, I loved to eat non-vegetarian only. I never preferred vegetarian food mostly in my youth life. During my visits to America, I learned to eat different kind of food. There it was available to do so. The different types of food will give you A to Z vitamins. It makes you healthy physically. When you are well physically, it will automatically strength the spirit and mind. So try to change the menu time to time for the better health.

## **Keep your thoughts and plans on paper**

**“Then the LORD said to me, "Write my answer plainly on tablets, so that a runner can carry the correct message to others - Habakkuk 2:2”**

**W**riting out thoughts and plans on a paper will do great job. First thing, they will speak to us every time.

What all the ideas are coming to our mind, we must keep them on paper. Same way our objects and present works. That will speak to us where we are and what developments we have to do for the betterment.

Every government will have the five year plan on paper. They will try their best to implement those proposals. Once the five years over. They keep the papers in front of them and check what all they were able to do and what all they were unable to implement. That will help them to work out the remaining works to finish in the future.

Coming to the Bible, Apostle John wrote the Revelation on paper during his stay at Patmos. Those writings were given to the church. Those are the most important prophecies to be take place in the future. Church came to know through the writings, what is going to happen in the days to come.

Coming to my personal life, I got this habit to write the plans, ideas for future and the present happening things for the information. In that view only I wrote my forty years life and ministry book “Dawn of Victory” and the total sixty years life and ministry book “Journey of Life “I am also mentioning many life experiences and the future plans in my other books. I believe these writings will do great job now and forever.

## **Praise and Prayer**

**“In the morning, LORD, you hear my voice; in the morning I lay my requests before you and wait expectantly - Psalm 5:3”**

**Morning prayers and praise are very important. In the life of Jesus, He showed this practically.**

**“Very early in the morning, while it was still dark, Jesus got up, left the house and went off to a solitary place, where he prayed - Mark 1:35”**

**Morning time the mind will be very fresh. We need to plan the day programs through the prayer and praise God for the past success and the given promises of God. When you start the day with the prayer and praise, the things will work out in different way. In other words we have the better life through that.**

**Coming to my personal life from the youth days, I started every day with the prayer and worship. God gave me the success to success in my entire life.**

## Visiting Different Places

**“After this the Lord appointed seventy-two others and sent them two by two ahead of him to every town and place where he was about to go - Luke 10:1”**

**H**ere Jesus sent them for the proclaiming the gospel, in the other words for the Gods work. We have seen that in Paul’s life also, he did the three missionary journeys.

Traveling different places whether on Gods work or on your own works will teach lot of things. We will see the different cultures and different people. That will teach us many things.

As for me, I visited America first time in the year 1993. When I reached there, it was really strange experience to me. Even the roads are very different. Here in India we go by left, and come by right on roads. There in America it is entirely different. There the vehicles have the Left hand drive. Here we do the right hand drive. Coming to the cultures, we cannot compare to Indian cultures. Coming to the marriage system, dating will be there. For us no dating. There the women give birth to the child without being married. In India it is not possible for that. There are many like that.

**That experience made me to learn many things about the different cultures of the people. Same time I came to know myself, that I do not know anything. It was not that the different country, even in the India, when traveled the different states, I found different cultures and food systems. Travel always teaches some new things. It will help us to have the better life.**

## **Prepare to face Challenges**

**“Count it all joy, my brothers, when you meet trials of various kinds, for you know that the testing of your faith produces steadfastness. And let steadfastness have its full effect, that you may be perfect and complete, lacking in nothing - James 1:2-4”**

**“Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God - Philippians 4:6”**

**“We are afflicted in every way, but not crushed; perplexed, but not driven to despair; persecuted, but not forsaken; struck down, but not destroyed - 2 Corinthians 4:8-9”**

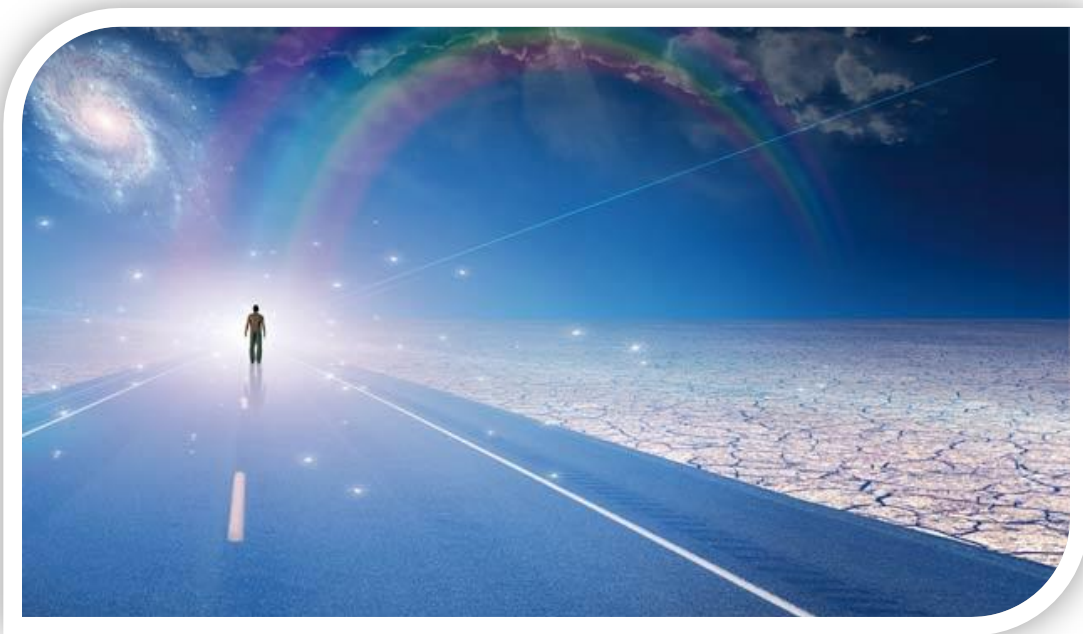

**L**ife is not bed of roses. Life means struggles. Everyone must struggle for the survival. The scriptures are also saying the same.

**“Then I heard a voice from heaven say, "Write this: Blessed are the dead who die in the Lord from now on." "Yes," says the Spirit, "they will rest from their labor, for their deeds will follow them - Revelation 14:13”**

This scripture says that we need to struggle till the death for the survival. In these struggling, we may face the challenges. There is a saying “No pain, No gain” we must ready to face the struggling’s in the life. Through the struggling only we will have the better life.

Coming to my life, struggling is the best friend to me. Even at the sixty two years, I am going through the struggling. As the matter of fact these struggling are making me strong in the spiritual life. We need troubles to get strong in the spirit. Through these struggling’s we will have the better life.

**“Be joyful in hope, patient in affliction, and faithful in prayer - Romans 12:12”**

## **Start your own organization**

**“But remember the LORD your God, for it is he who gives you the ability to produce wealth, and so confirms his covenant, which he swore to your ancestors, as it is today. All of our skills and special talents that we use in our businesses are all given to us by God. He gives us the ability to make money and cut deals. He did it for our parents and mentors and he does it for us too - Deuteronomy 8:18”**

**W**hen you start your own business; you will be the boss and make others to work for you. Lot of people don't know this secret. It is not easy to do our business. It involves lots of pressure and problems. There is a saying “No pain; No gain” to develop ourselves, we need give more pains.

Coming to my life experience, many people asked me to work under them. One of my best friends who are the boss for the big organization asked me to work under him. The reason for to asked me like that was; I helped him to have the big meetings with his money. I did that as the friend. When he asked me to work under him, I told him one example.

**“When the non-alien countries meet in their meeting time, from India one person will attend. He represents 120 cores of people, he will have right to vote just one number. There will be another man comes from Maldives a small country will also have right for one vote. It is not that what size of country they have, they both are having right for one vote. In other words, size of kingdom doesn’t matter, both are the kings”**

**He surprised for my answer. He ay thought I am an adamant guy. But I proved in my life that I am an able person to hold big organization. Victors Ministry – India is the big organization doing the wide woks. [www.victorsministry.org](http://www.victorsministry.org);**

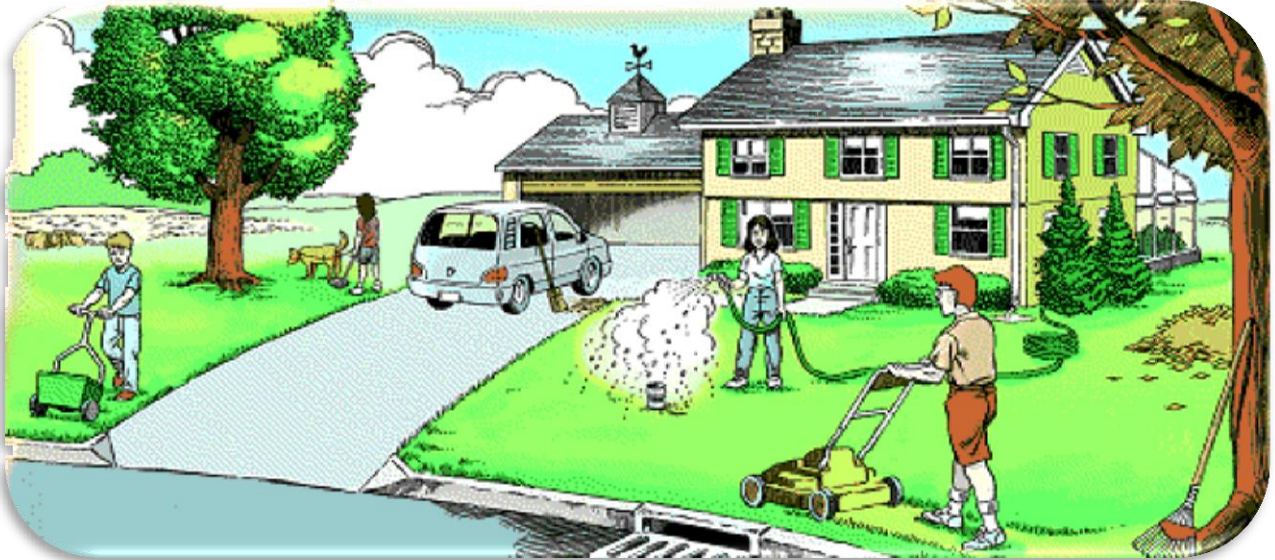

**<http://www.youtube.com/user/victorsministry>,**

## **Keep the environment clean and do the frequent changes**

**“Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here - 2 Corinthians 5:17”**

**We must keep the environment clean. That will have an effect on human life.**

**“Be careful the environment you choose for it will shape you”**

**W. CLEMENT STONE**

**“Man is the control experiment of heredity and environment; and since his heredity controls him, he tries to control his environment”**

**EVAN ESAR**

**“When environment changes, there must be a corresponding change in life”**

**CHARLES LINDBERGH**

**There is lot of saying on the environments. We need to keep clean where we are living. Do some changes frequently for the newness. For example change the places of the furniture you have, sometimes the cartons and the painting also. This kind of change will give you the relief in mind and feel some newness.**

**As for me, I do this kind of changes. They are not really radical changes. They are very little in change, but do the great job on the mind to feel newness.**

## **Early Morning Prayers**

**“I rise before dawn and cry for help; I wait for your words - Psalms 119:147”**

**“Then Joshua rose early in the morning; and he and all the sons of Israel set out from Shittim and came to the Jordan, and they lodged there before they crossed - Joshua 3:1”**

**Waking up early is a good habit. Even the doctors says “Early to Bed; Early from Bed”**

**M**orning study makes good memory. Morning walk is good for health. Morning exercise is good for body. Above all these things morning prayers are very powerful. I can tell this from me life also. I have learned these morning prayers from my mother. Now it became my life style. I don't do anything without the morning prayers. I start my day with the morning prayers from 4:30am. Then all the works follow. The prayers in the morning will help us all the day programs and the works.

**Get up in the early morning for the prayers and the day duties. You will feel healthy and active in every work you do.**

## Try to avoid disagreeing people

**“Warn a divisive person once, and then warn them a second time. After that, have nothing to do with them - Titus 3:10”**

**Avoid people like this**

**“Understand that the last days will be dangerous times. People will be selfish and love money. They will be the kind of people who brag and who are proud. They will slander others, and they will be disobedient to their parents. They will be ungrateful, unholy, unloving, contrary, and critical. They will be without self-control and brutal, and they won’t love what is good. They will be people who are disloyal, reckless, and conceited. They will love pleasure instead of loving God. They will look like they are religious but deny God’s power. Avoid people like this. Some will slither into households and control immature women who are burdened with sins and driven by all kinds of desires. These women are always learning, but they can never arrive at an understanding of the truth. These people oppose the truth in the same way that Jannes and Jambres opposed Moses. Their minds are corrupt and their faith is counterfeit. But they won’t get very far. Their foolishness will become obvious to everyone like those others - 2 Timothy 3:1 – 9”**

**I**n our daily life we face some people always do the arguments for nothing. Sometimes we will try explaining and doing something with them, but don't come to our way. It is very difficult to educate such people. Instead of disagree with them; it is better to keep distance with them. If we go on arguments, they lead for the unwanted situations.

In my life and ministry I had many experiences like this. Some people come to church to teach to pastor. Some people come to church for the positions. These kinds of people always try to find the mistakes with the pastor and the administration. If we go for the arguments with them they may cause the damage to the ministry along with the pastor. We will find out such people and avoid the arguments to come out from the disagreements. We need the wisdom for this.

## **Wisdom comes from God**

**“For the Lord gives wisdom; from his mouth come knowledge and understanding; he stores up sound wisdom for the upright; he is a shield to those who walk in integrity, guarding the paths of justice and watching over the way of his saints - Proverbs 2:6-8”**

## **True Wisdom Comes from God**

**“If you are wise and understand God’s ways, prove it by living an honorable life, doing good works with the humility that comes from wisdom. But if you are bitterly jealous and there is selfish ambition in your heart, don’t cover up the truth with boasting and lying. For jealousy and selfishness are not God’s kinds of wisdom. Such things are earthly, unspiritual, and demonic. For wherever there is jealousy and selfish ambition, there you will find disorder and evil of every kind. But the wisdom from above is first of all pure. It is also peace loving, gentle at all times, and willing to yield to others. It is full of mercy and the fruit of good deeds. It shows no favoritism and is always sincere. 18 And those who are peacemakers will plant seeds of peace and reap a harvest of righteousness - James 3:13-18”**

## **Life is so precious -Learn to Love it**

**“Don’t be afraid; you are worth more than many sparrows - Matthew 10:31”**

**“Yet you have made him a little lower than the heavenly beings and crowned him with glory and honor - Psalm 8:5”**

**“Consider the ravens: they neither sow nor reap, they have neither storehouse nor barn, and yet God feeds them. Of how much more value are you than the birds - Luke 12:24”**

**There is saying for the life “Life is not the bed of roses”**

**S**ome time we will be very tuff times in the life. Some feel there is no value for their life. In such situations, the Stan comes around us and advises us to commit suicide.

**Some people were unable to come out from such situations and commit the suicide.**

**Every person must know one fact that God made the human in His own image. Human life is so fantastic; it’s unique, unrepeatable, one of a kind, beautiful, simple, challenging, sweet, and hard. You are the captain for your ark. You must learn to love your life. Your life will have meaning and purpose. God loves everyone.**

**“God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life – John 3:16”**

**God don't want you and me to perish. He wants everyone to live for His glory and to have the eternal life. In my life many times I tried to suicide myself. But I was protected by the Living God. If you are away from God, you will not have this opportunity. When you are close with God even in your discouragements and troubles, he will show the way to come out from that and make as the blessed person for you and to others. This happened in my life. I am the living witness for that.**

## Take up new tasks

**“She sets about her work vigorously; her arms are strong for her tasks - Proverbs 31:17”**

**“We are God’s handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do - Ephesians 2:10”**

**S**ometimes we feel bored with what we are doing. It happened to me many times in my life. So I want do something new. Coming to the ministry, we started the church with fifteen people. My new task was, to have five hundred people in the church. God gave five hundred people. My new task was for the five thousand people. My wife used to say, what the wrong with you? I told her, we must take up new tasks all time. That will boost us in the work and give good results. We worked for the new task and got it. Now our present new task is for fifty thousand people. New tasks will always make you busy and give new energy. It involves the pain and hard work.

**Some people don't want to take up the new tasks. They want more rest in the life. There I saying of that "Rest brings rust". We can call them lazy people. Lazy people cannot expect any bless from God.**

**"Lazy hands make for poverty, but diligent hands bring wealth - Proverbs 10:4"**

**"When we were with you, this we commanded you, that if any would not work, neither should he eat - 2 Thessalonians 3:10"**

**So we learned through these scriptures, to take up the new tasks to have the activeness in the life that where we achieve to great things.**

**William Cary said the flowing saying "Attempt great things for God; and expect great things from God"**

**To see the great things in our life, we need to take up the new tasks. William Cary came all the way from England to take up new tasks and achieved. Serampore University, at Calcutta, India is the witness for that.**

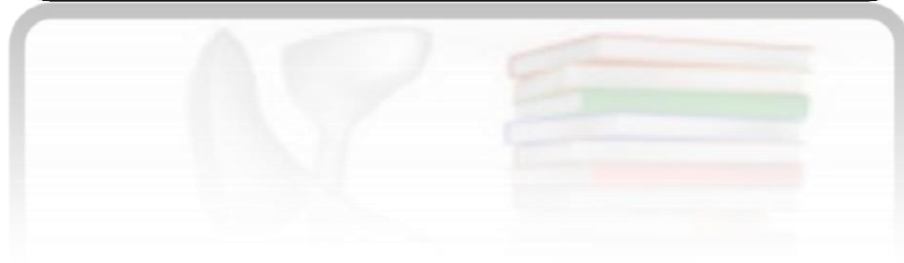

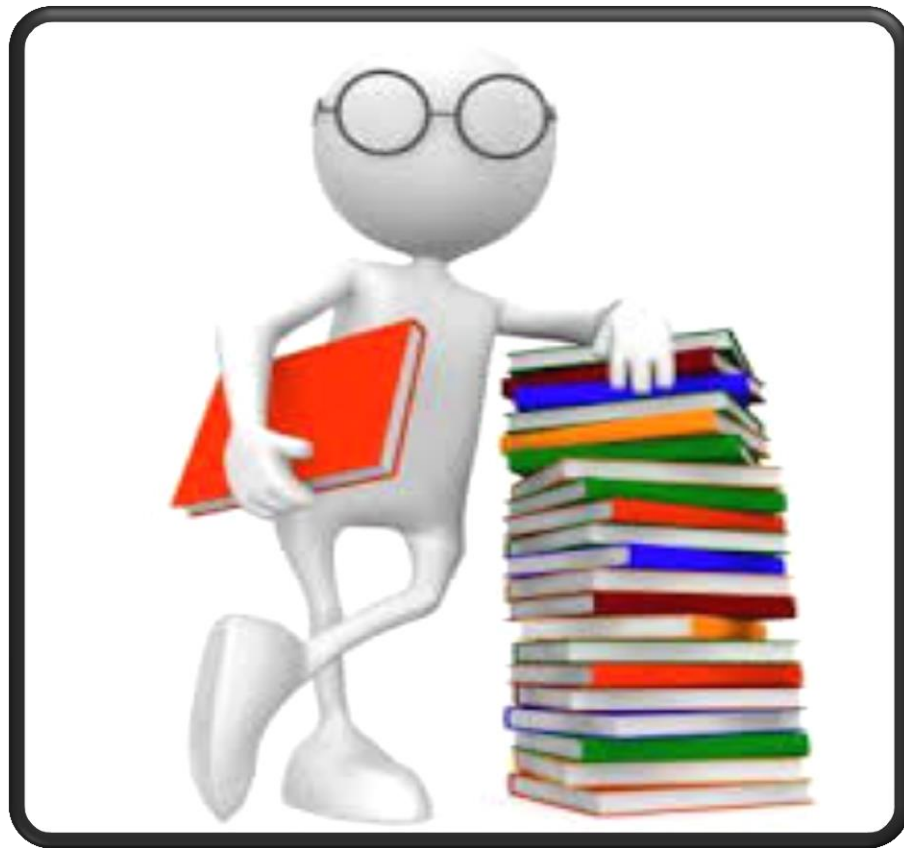

## Learn other Languages

William Carey the English man learned the Indian languages and translated the Bible in eight regional languages of India. He used to interpretation the speech of Governor Vise Roy English speech into Bengali. By learning the other languages he was able to reach many people in the India. Due to this he was also joined with social movements of India for the betterment of the people. In his works, the sathi sahagamanam was greatest movement. When the husband dies, the living wife will be burned along with the cremation of the husband. He joined in that movement with Raja ram Mohan Roy and others. They achieved that and the government gave the orders, that act was the crime and liable for the punishment. When the order was passed, William Carey spent over night at the press to print the order to go the hands of people. When some questioned him, what is the hurry to that work over night? He replied for that, if it delays some innocent women

may die in the flames of the fire. This great man was able to do this kind of things as he learned the other languages.

As for me, I was the Telugu boy, did all of studies in Telugu. It is a regional language limited for the people in the state of Andhra Pradesh. I want to travel the other countries, for that I need the English. I have learned the English language over night by giving the hard worship. I was able to preach in English in my first visit to America. I preached in public meetings in my first visit. The same spirit is now helping to write books in the English. So we need to learn the other languages to have the better life.

## Keep distance to the quarrels

### Abraham and Lot's conflict

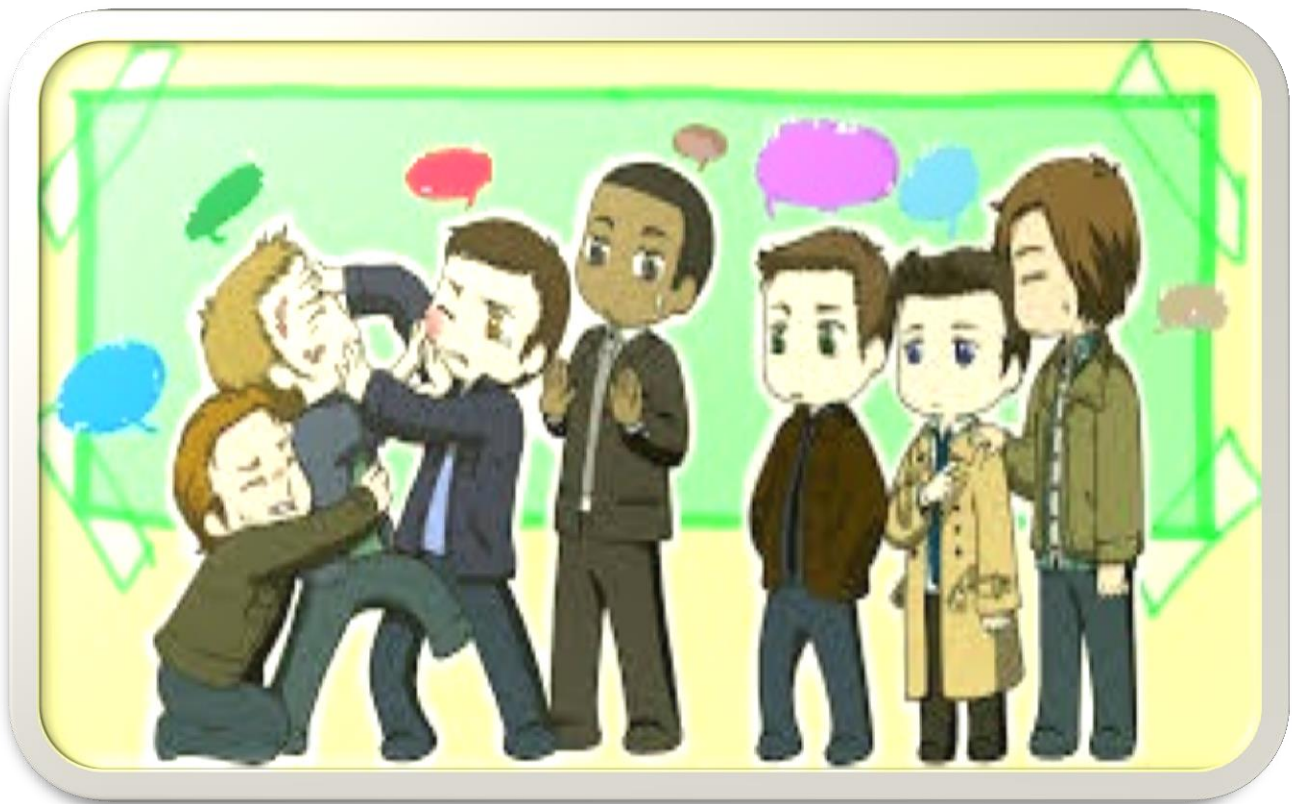

**“And Lot also, which went with Abram, had flocks, and herds, and tents. And the land was not able to bear them, that they might dwell together: for their substance was great, so that they could not dwell together. And there was strife between the herd men of Abram's cattle and the herd men of Lot's cattle: and the Canaanite and the Perizzite dwelled then in the land. And Abram said unto Lot, Let there be no strife, I pray thee, between me and thee, and between my herdmen and thy herdmen; for we be brethren. Is not the whole land before thee? separate thyself, I pray thee, from me: if thou wilt take the left hand, then I will go to the right; or if thou depart to the right hand, then I will go to the left - Genesis 13:5 - 9”**

**“Do not answer a fool according to his folly, or you yourself will be just like him - Proverbs 26:4”**

ighting is the evil thing in the human lives. Most of the people like the fighting's. Some **F** don't sleep without fighting. To fight with others, you need give additional energy and waste the time. I advise the people all times do not go for the fights. They love fighting's, so they go to the police stations and courts by wasting time and the money. The result for the fight was losing the people and making the permanent enmity. Sometimes it cases the loss of money and time, sometimes the life also. In my personal life I avoided many fighting's, otherwise I may not stand for God in these days. I justice will be in our side, but the fighting will be a bad experience in the life. Some time we lose certain things by avoiding the fighting's. By doing that we will have the peace of mind and the better life.

## Attitude of gratitude

**“Therefore I will give thanks unto thee, O LORD, among the heathen, and I will sing praises unto thy name - 2 Samuel 22:50”**

**“Give thanks unto the LORD, call upon his name, and make known his deeds among the people - 1 Chronicles 16:8”**

**“O give thanks unto the LORD; for he is good: for his mercy endureth for ever - Psalm 136:1”**

**G**od will bless us when we have the gratitude. Many people will not have this. Generally people will forget help they received from others. When you say a simple word “thanks” it pleases the people. Coming to God, honor and glory must go to God.

**“Immediately, because Herod did not give praise to God, an angel of the Lord struck him down, and he was eaten by worms and died- Acts 12:23”**

**We bound to thanks God for everything. We are breathing by the grace of living God. We have our existence on the face of the earth, only by the grace of God.**

**When I think the way God rescued me in the life struggling’s, it’s my duty to thank Him all of my life time. We must make it as an habit that the “Attitude of gratitude”**

## **Do not waste your energy**

**“Give not thy strength unto women, Nor thy ways to that which destroyed kings - Proverbs**

**31:3”**

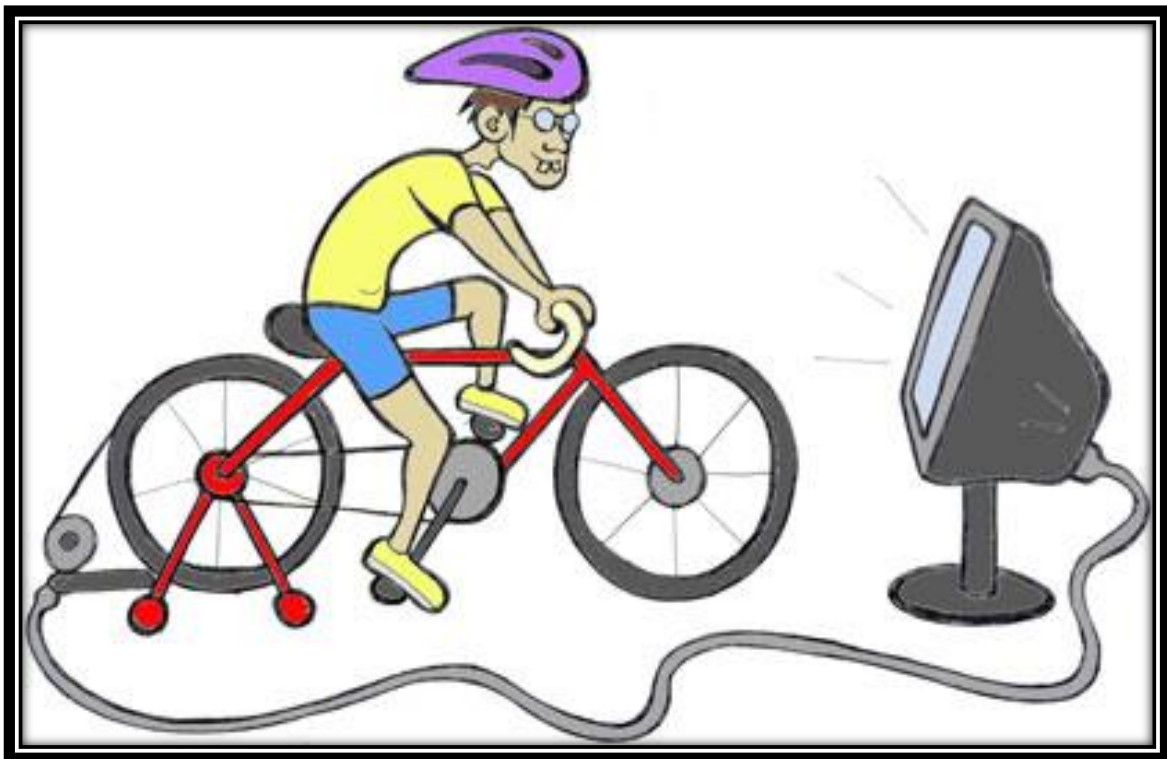

**"Do not give what is holy to dogs, and do not throw pearls before swine, lest they trample them under their feet, and turn and tear you to pieces - Matthew 7:6”**

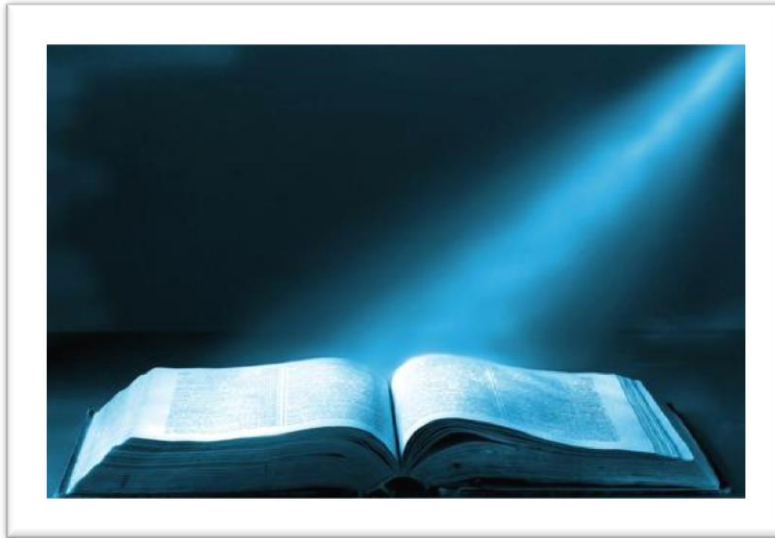

**“I do not understand my own actions. For I do not do what I want, but I do everything I hate. Now if I do what I do not want, I agree with the law, that it is good. So now it is no longer I who do it, but sin that dwells within me. For I know that nothing good dwells in me, that is, in my flesh. For I have the desire to do what is right, but not the ability to carry it out. For I do not do the good I want, but the evil I do not want is what I keep on doing. Now if I do what I do not want, it is no longer I who do it, but sin that dwells within me - Romans 7:15-20”**

**W**hen you do something which you do not want to do is the waste your energy. You must stop such things as you are doing things for nothing. Sometimes we involve in some works by force, which we do not want to do. Those things may lead us to the unwanted complications. In my life I am very careful in this subject. Whenever I felt that something happing wrong around me, immediately, I stop the thing what am I doing. Through this kind of attitude, I was protected from many dangers in the life. Some people with good and innocent attitude fall in the troubles. We must use the God given energy for the right purpose only. This kind of attitude leads for the better life.

## **Regularly meditating the word of God**

**“But his delight is in the law of the Lord, and in His law he meditates day and night. He shall be like a tree Planted by the rivers of water, that brings forth its fruit in its season, Whose leaf also shall not wither And whatever he does shall prosper - Psalm 1:2-3”**

**“Do not merely listen to the word, and so deceive yourselves. Do what it says. Anyone who listens to the word but does not do what it says is like someone who looks at his face in a mirror and, after looking at himself, goes away and immediately forgets what he looks like. But whoever looks intently into the perfect law that gives freedom, and continues in it not forgetting what they have heard, but doing it they will be blessed in what they do - James 1:22-25”**

**M**editating the word of God strengthen the spirit. Prayer and the word of God like two legs. To walk properly we need those two. Word of God helps us to live. It guides us in the right path. Number one reading sharpen the brain. Number two it helps us to learn many things. Number three it will guide us. Number four it gives life to us, as it is the living word. Psalmist said it is the light for our ways.

**“Your word is a lamp for my feet, a light on my path - Psalm 119:105”**

**Above all these things the word helps us to live for Him.**

**“Jesus answered, 'It is written: 'Man shall not live on bread alone, but on every word that comes from the mouth of God - Matthew 4:4”**

**Coming to my life I do more meditating of the word of God. It is enlighten me in the mind and spirit. The same word also passing through me to the multitudes of people. So meditating the word of God will give the better life.**

## Frequent feasting or treats

**“And his sons went and feasted in their houses, everyone his day; and sent and called for their three sisters to eat and to drink with them. And it was so, when the days of their feasting were gone about, that Job sent and sanctified them, and rose up early in the morning, and offered burnt offerings according to the number of them all: for Job said, It may be that my sons have sinned, and cursed God in their hearts. Thus did Job continually**

**– Job 1:4 – 5”**

Feasting is the best place where we can meet near and different people. It also helps us to share the thoughts each other. In America most of the people do this very often. We call in other word as Treats. By holding these treats, they keep the house clean and setup the furniture in different way. Make the new look to the house. The important things in these treats, we meet people some time new people. This will develop the public relations and the extending the circle. Any kind of misunderstands also will vanish in these treats. In our church and in the families we do this kind of things very often. These treats will help us to have the better life.

## Feast of Pentecost

**“When the day of Pentecost was fully come, they were all with one accord in one place. And suddenly there came a sound from heaven as of a rushing mighty wind, and it filled the entire house where they were sitting. And there appeared unto them cloven tongues like as of fire, and it sat upon each of them. And they were all filled with the Holy Ghost, and began to speak with other tongues, as the Spirit gave them utterance – Acts 2:1 – 4”**

**O**n that feast they all received the Holy Ghost, everyone speaking in the different tongues. They were glorifying God in the different tongues. This feast made everyone have the oneness in the spirit. We do the treats very often; they are making us to have the better life.

## **Try your best to live well**

**“Try your best to live quietly, to mind your own business, and to work hard, just as we taught you to do. Then you will be respected by people who are not followers of the Lord, and you won’t have to depend on anyone - 1 Thessalonians 4:11-12”**

**“If it is possible, as far as it depends on you, live at peace with everyone - Romans 12:18”**

**We must try our best live good with the people. It will make you happy and give you peace. Some time we try to at over on this matter, for such situations scriptures are very clear.**

**“Be not righteous over much; neither makes thyself over wise: why shouldest thou destroy thyself? - Ecclesiastes 7:16”**

**T**oo much of anything is good for nothing. We must be good with the people in our limits. Some people take the advantage of your goodness. In my ministerial life, I faced many situations like that. To whom I did more help out of the limits, they attacked me brutal. Even in these sixty two years of age, I am learning.

**My father told a story, when we are children. One man is passing on way; he saw a scorpion was struggling in the waters for survival. He taught to help that scorpion, and then he tried to pull it out with his hands. When he is keeping the hands in water to bring the scorpion out, it is trying to strike that man by thinking that he may kill.**

**Most of the human acts like this. I have enough experiences like this in my life and ministry. He must be good and helpful to the people in our own limits. That leads you for the better life.**

## **Overcome the self-damage**

**“Casting all your anxieties on him, because he cares for you - 1 Peter 5:7”**

**“God gave us a spirit not of fear but of power and love and self-control - 2 Timothy 1:7”**

**“You are the sons of the Lord your God. You shall not cut yourselves or make any  
baldness on your foreheads for the dead - Deuteronomy 14:1”**

**“The Lord is near to the brokenhearted and saves the crushed in spirit. Many are the  
afflictions of the righteous, but the Lord delivers him out of them all” - Psalm 34:18-19**

**“He who fails to find me injures himself; all who hate me love death - Proverbs 8:36”**

**L**ot of people in their failures, damage themselves. I have seen many people like that. When they failed in the family life, some commit suicide, some became drunkers, and some adopted bad habits to destroy themselves. It is common in the life to face failures. Every failure is the step for your better life. Scriptures are giving encouragement in the failures.

**“If you falter in a time of trouble, how small is your strength - Proverbs 24:10”**

We need much courage in the troubles. We should not take the decisions which will destroy us. When we stand in such situations we will have the better life.

## Keep the house clean

**“By wisdom a house is built, & through understanding it is established - Proverbs 24:3”**

**“The wise woman builds her house, but with her own hands the foolish one tears hers down - Proverbs 14:1”**

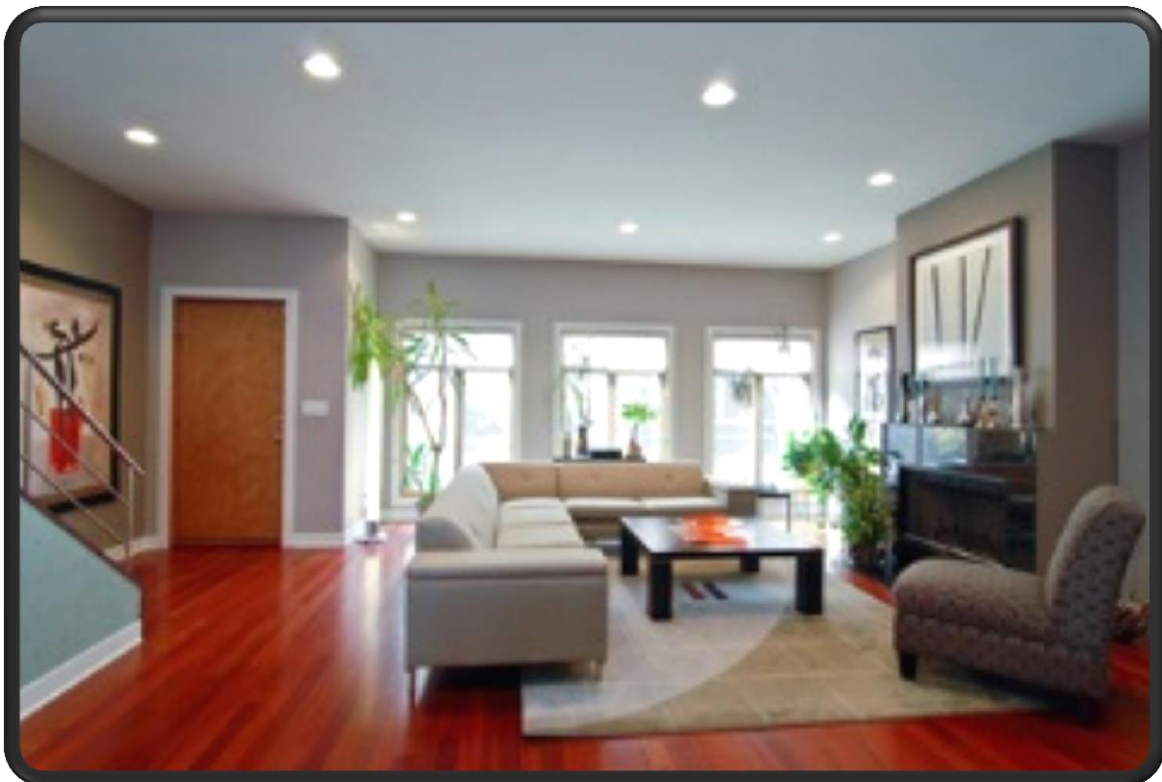

**C**leanliness is holiness. The house speaks about you. The people who live holy will keep their house also clean and holy. We must feel happy to live in our house. During my house visiting's as the pastor, I have seen many houses un-clean. We will not have room for sitting also. The house will be good, the problem is the cleaning. We need to set up the furniture in the right way and make the environment clean and holy. We have the servant maid. Same time I do a lot of work to keep my house clean. I spend at least two and half hours to do the garden work of my house. We have the roof garden and ground floor garden. I love to sit at my garden to enjoy time. The people who come to our house love the

**garden very much, and they ask who will take care for this? This is a labors work. I have learned from parents, to keep the house clean. Cleanly house speaks about us. This will give us the better life.**

**The clean house must have Jesus in that. Otherwise there is problem.**

**“When an impure spirit comes out of a person, it goes through arid places seeking rest and does not find it. Then it says, ‘I will return to the house I left.’ When it arrives, it finds the house unoccupied, swept clean and put in order. Then it goes and takes with it seven other spirits more wicked than itself, and they go in and live there. And the final condition of that person is worse than the first. That is how it will be with this wicked generation - Matthew 12:43-45”**

**A cleanly house must have the Jesus in that, and then only we will have the better life.**

## **Develop the forgetting nature**

**“I count not myself to have apprehended: but one thing, forgetting those things which are behind, and reaching forth unto those things which are before - Philippians 3:13 – 14”**

**“Remember ye not the former things, neither consider the things of old - Isaiah 43:18-19”**

**“Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset [us], and let us run with patience the race that is set before us - Hebrews 12:1 – 2”**

**“Forget the former things; do not dwell on the past - Isaiah 43:18”**

**I**n the life many things will happen which will follow us to bother all times. We need to forget those things go ahead in the life journey. Past stuff always gives the mental pressure. Every past experience will be the step for the future development. In my life many bitter things took place; if think on them till now, I cannot reach the destiny in my life. God gave us greatest gift that is “forgetting” we should forget the past things; go ahead towards the future things. Through this we will see the better life.

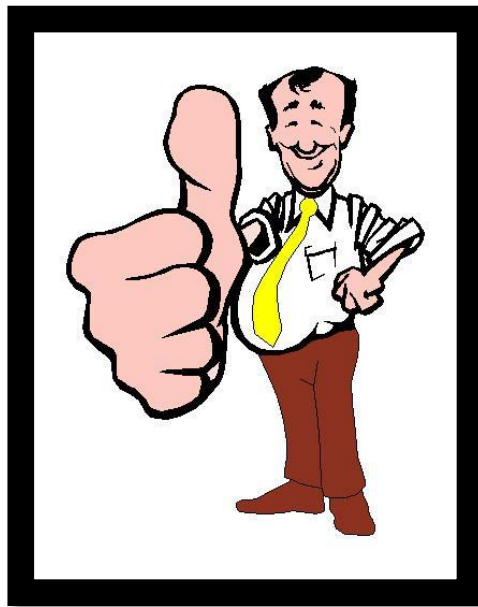

## Utilize Every Ability

**“Each of you should use whatever gift you have received to serve others, as faithful stewards of God’s grace in its various forms - 1 Peter 4:10”**

**“Now there are varieties of gifts, but the same Spirit; and there are varieties of service, but the same Lord; and there are varieties of activities, but it is the same God who empowers them all in everyone 1 Corinthians 12:4-6”**

**“All who are skilled among you are to come and make everything the Lord has commanded Exodus 35:10”**

**“To one he gave five talents, to another two, to another one, to each according to his ability. Then he went away - Matthew 25:15”**

**o not stuck at one place and one object. Utilize every ability that God has given you.**

**D** Some people will stay at one place with one job. If they fail with that, they don’t look for the other opportunity to do another job. Even though they have the ability to do another work; they stuck to one place and not to be used in the other field.

**I know one God servant; he clams himself as the evangelist and travel around the globe. When the days are passing, he was unable to go to the other counties. Sitting alone at home by wasting the time and abilities God has given to him. I told him many times to use the abilities where ever they can. Recently he called me and told me that he is serving in a church as the pastor. I felt happy and told him, you are doing the right thing now.**

**We must know our abilities and use every one of them when the time comes. I myself do any kind of job. I do the preaching, same time administration, serving, book writing, teaching to the God servants an all kinds of jobs. That made me busy and sharpening the mind to be alert all times. This kind of nature will leads us for the better life.**

## Periodical Challenges

We can also call them as the “Time set challenge”

He waited seven days, the time set by Samuel; but Samuel did not come to Gilgal, and Saul’s men began to scatter. So he said, “Bring me the burnt offering and the fellowship offerings.” And Saul offered up the burnt offering - 1 Samuel 13:8-9

Here we need to set up some time to pray; and see there was any development or not. **H** Likewise set up time for your food systems, and then see there was any development. Keep some time set up for your family fasting prayers for the future requirements. After that time set, see there was development or not.

I usually do this work in the ministry and the family. I will set up some time to add new people for the church. That may one month or one year. I do work out for that very hard and see there was any result or not. Same ways time set up for every need and the developments. We are getting the good results for that.

I also encourage the church members to do this for their family and spiritual developments. They always come with good results. This is one kind of method to have the better life.

## Develop thanksgiving nature

**“With joy giving thanks to the Father, who has qualified you to share in the saints’ inheritance in the light. He delivered us from the power of darkness and transferred us to the kingdom of the Son he loves, in whom we have redemption, the forgiveness of sins - Colossians 1:12 – 14”**

**“In everything give thanks. For this is God’s will for you in Christ Jesus - 1 Thessalonians 5:18”**

**“Give thanks to the LORD, for he is good; his love endures forever - 1 Chronicles 16:34”**

**“Give thanks to the LORD, call on his name; make known among the nations what he has done - 1 Chronicles 16:8”**

**T**hanks giving nature develop your spirit strong. Most of the people will fail in this. They will forget the helps they received from the people. First thing we must thank God. When we have the nature of thanking God, we will also have the nature of thanking people. Most of the times, God helps us

through the people. After receiving the help from the people, they will ignore them. In my life I had enough experience like this. Some will attacks instead of giving thanks. My father taught us to remember the people who helped us in the troubles. As for me there many people come into my life to do the instant helps. There were situations in my life to destroy myself in great troubles. I still remember them, those who helped me. When I was unable to meet them personally, I use to write on my note book and also in the mind about them. This kind of thanks giving nature give healthy spirit and the better life.

## Think about the present day

**“Therefore do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own - Matthew 6:34”**

**“They are new every morning; great is your faithfulness - Lamentations 3:23”**

**“Give us this day our daily bread - Matthew 6:11”**

any people think of the yesterday instance more and fall in discouragement. Some will think about tomorrow anxiously, they do not know what the tomorrow brings for them. Yesterday is the past, gone, nothing to break the head for that. You can do nothing by breaking head. Coming to tomorrow, many will have day dreams for the tomorrow. “Therefore do not worry about tomorrow, for tomorrow will worry about itself” we must learn to act on the present day. It is so precious, because we were there.

**Make use of the present day by utilizing every minute for the right purpose. Yesterday will not come again. Tomorrow is the illusion. Today is the so precious. Every minute of today is an important with an existence. Do whatever the best you can do for today, stands for you as it is present. So let us not bother about yesterday and tomorrow. Give full efforts for the today, then you can achieve the things.**

**In my personal life I do this to keep my health good and make the wealth by doing hard work on today. I feel every day is the new day. We can straight the yesterday's mistakes today and also failures to turn into success.**

**In my daily prayers I use this word as the must "I do not know the second coming of Jesus and my dismissal from earth" so today is only truth. Let's be happy today and do the things in the proper way which brings us the better life.**

## **Lonely Experience**

**“Jesus often withdrew to lonely places and prayed - Luke 5:16”**

**“Very early in the morning, while it was still dark, Jesus got up, left the house and went off to a solitary place, where he prayed - Mark 1:35”**

**I** wrote a book on loneliness. It was wonderful experience in the life. I suggest everyone to do this. Sit at one place alone, and think about your works. What was the put come of your works, where are the failures? Think where are you? What you want to do in the life. This is call as evaluation. Loneliness will teach us many things. That's the place where we can evaluate our works and our personality.

I do this very often to check myself and do the best in the come days. This lonely was an experience, also good for the rest to mind and body to equip the new strength. Coming to the spiritual life it will help the spirit to grow more and more. In the loneliness we feel the presence of God. That leads us in the proper way to have the better life.

## **Prepare for the unexpected things**

**“In the first year of Cyrus king of Persia, that the word of the Lord by the mouth of Jeremiah might be fulfilled, the Lord stirred up the spirit of Cyrus king of Persia, so that he made a proclamation throughout all his kingdom and also put it in writing: “Thus says Cyrus king of Persia: The Lord, the God of heaven, has given me all the kingdoms of the earth, and he has charged me to build him a house at Jerusalem, which is in Judah.**

**Whoever is among you of all his people, may his God be with him, and let him go up to Jerusalem, which is in Judah, and rebuild the house of the Lord, the God of Israel—he is the God who is in Jerusalem. And let each survivor, in whatever place he sojourns, be assisted by the men of his place with silver and gold, with goods and with beasts, besides freewill offerings for the house of God that is in Jerusalem - Ezra 1:1-4”**

**“Then the captain on whose hand the king leaned said to the man of God, if the Lord himself should make windows in heaven, could this thing be? But he said, you shall see it with your own eyes, but you shall not eat of it - 2 Kings 7:2”**

**S**ometime unexpected things will take place around us. The unexpected blessings flow on us. Same time unexpected sorrow also flow. We must prepare for all types of situations.

**In the lives of Israelites, God did many things like this. When they were in the great concern and pressure for the Jerusalem, God open the doors for them. That was an unexpected for them; God raised a gentile king to help them to rebuild the house of God in Jerusalem. That made them surprise. At one stage they thought that he may be the Messiah. As the matter of fact meaning for the Cyrus is sun. He was the worshipper of Sun. God raised him for the redemption of Israelites.**

**When there was great famine at Shomron, God opened the doors for them by providing the food. That was an unexpected event for them. God used the four leper for the great job.**

**God made enemies to run away with the fear. They left all the food and things for them. This was an unexpected situation.**

**God did many things like this in my life. As the matter of fact He gave everything to me, which I was not expected. Those are the great blessings. That was not possible to me to make myself. Those were the unexpected blessings. Same was I have received the troubles also unexpectedly. When we are in the God, we can withstand for any kind of unexpected situations.**

## **Have Your Own Rules and Regulations**

**“If anyone does not know how to manage his own family, how can he take care of God's church?- 1 Timothy 3:5”**

**“Do not be carried away by all kinds of strange teachings. It is good for our hearts to be strengthened by grace, not by eating ceremonial foods, which is of no benefit to those who do so - Hebrews 13:9”**

**“Put on the full armor of God, so that you will be able to stand firm against the schemes of the devil - Ephesians 6:11”**

**Be on the alert, stand firm in the faith, act like men, be strong - 1 Corinthians 16:13**

**W**e must have to be on our own stableness with the rules and regulations. You are the captain for your own ark. You must have your way of following the rules. You must keep your family in the right way with the rules. As the head of the house or the head of the organization, you must have the rules to follow. A rule is a rule, rule for all. We must follow the rule to make others to follow. Following the rule is a healthy habit which leads us to have the better life.

## **Do not judge others**

**“Do not judge or you too will be judged. For in the same way you judge others, you will be judged, and with the measure you use, it will be measured to you. Why do you look at the speck of sawdust in your brother’s eye and pay no attention to the plank in your own eye? How can you say to your brother, Let me take the speck out of your eye, when all the time there is a plank in your own eye? You hypocrite, first take the plank out of your own eye, and then you will see clearly to remove the speck from your brother’s eye - Matthew 7:1 - 5”**

**"Do not judge and you will not be judged. Do not condemn, and you will not be condemned. Forgive, and you will be forgiven - Luke 6:37”**

**There is a judge for the all mankind to judge on the Day of Judgment. We have no business to judge others. Some time there will some misunderstanding between the judgment and discernment. We must have the discernment spirit to keep ourselves away from the evil people and the situations. That not the judgment. Coming to the point of judgment, is an evil thing. When we try to judge others, it was the beginning for our fall. Judgment is the job of God on the Day of Judgment. We will be judged when we judge others. It was a bad situation for some to be judged.**

**By judging other you will judge that person, same time you will be libel for the judgment. If you keep yourself away from the judgmental spirit, you will have the better life.**

## **Develop Loving Nature**

**“Beloved, let us love one another, for love is from God; and everyone who loves is born of God and knows God. The one who does not love does not know God, for God is love - 1 John 4:7-8”**

**“Walk in love, just as Christ also loved you and gave Himself up for us, an offering and a sacrifice to God as a fragrant aroma - Ephesians 5:2”**

**"By this all men will know that you are my disciples, if you have love for one another - John 13:35"**

### **“Love is the greatest thing”**

**“These three remain: faith, hope and love. But the greatest of these is love - 1 Corinthians 13:13”**

**W**hen you develop love in you, you will have the Christlikeness. God is Love. This love gives you good health. When you are lack of love, you are inviting the all kinds of diseases to your body. When some have no love in him, the first disease affects the body, that's called as blood pressure (B.P). This B P is the cause root for all the diseases. God gave us the great promises of blessing to the God's servants and the children.

**“Those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint - Isaiah 40:31”**

**The sad part to the God servants in these days, they also go to the hospitals with all kinds of diseases just like the layman. They preach about the greatness of God and His healing power to the people. Next day the same God servant goes to the hospital with the layman. Where is the glory to God, though this kind of God servants?**

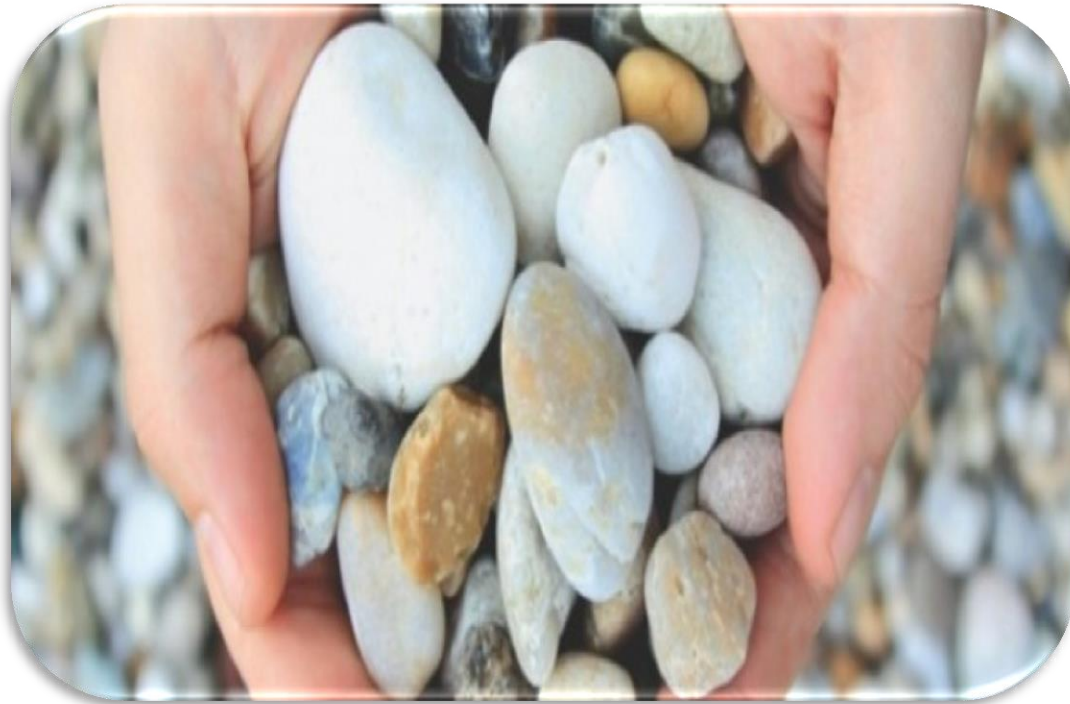

**I believe that we must present Christ through our lives. We are the living stones of God.**

## **As Living Stones**

**“Coming to Him as to a living stone which has been rejected by men, but is choice and precious in the sight of God, you also, as living stones, are being built up as a spiritual house for a holy priesthood, to offer up spiritual sacrifices acceptable to God through Jesus Christ. For this is contained in Scripture - 1 Peter 2:4-6”**

**As the God servants and the Gods children, we must bear the witness that we have the love of God in us. That love leads us to have the better life.**

## **Rejoice in the Lord**

**“Rejoice in the Lord always. I will say it again: Rejoice - Philippians 4:4”**

**“Rejoice in the Lord. To write the same things to you is no trouble to me and is safe for you  
- Philippians 3:1”**

**“Rejoice in hope, be patient in tribulation, be constant in prayer - Romans 12:12”**

**“Rejoice insofar as you share Christ's sufferings, that you may also rejoice and be glad  
when his glory is revealed - 1 Peter 4:13”**

**“Rejoice always, pray without ceasing, give thanks in all circumstances; for this is the will  
of God in Christ Jesus for you - 1 Thessalonians 5:16-18”**

**“Rejoice and be glad, for your reward is great in heaven, for so they persecuted the  
prophets who were before you - Matthew 5:12”**

**R**ejoice in the Lord will make you so strong in the spirit. Joy will bring you the good health and the atmosphere around you. Even the doctors advise the patients to be happy all times. Joy will cure many diseases. When you are in the problems and the smugglings, how can we expect this joy? We must remember the Paul and Silas, when they were in the prison with wounds, they are singing.

**“About midnight Paul and Silas were praying and singing hymns to God, and the other prisoners were listening to them - Acts 16:25”**

Their sorrow made them to Rejoice in God with singing. So it doesn't matter that sorrow or happy will bring the joy. When we are in the Christ we are new creation. We'll have the new things comparing to the worldly people. If God blessed you have the joy, even in the troubles keep joy in your heart. That will lead you to the better life. In my life I had these kinds of experiences many time. The only thing I have learned from God is to be happy and keep joy. That's only giving me the better life.

## **Don't Lie**

**“Do not steal.” 'Do not lie. “Do not deceive one another - Leviticus 19:11”**

**“Do not lie to each other, since you have taken off your old self with its practices -  
Colossians 3:9”**

**“The cowardly, the unbelieving, the vile, the murderers, the sexually immoral, those who practice magic arts, the idolaters and all liars--they will be consigned to the fiery lake of burning sulfur. This is the second death - Revelation 21:8”**

**Lie is the greatest sin which leads to the second death. From where the lie came?**

**“You belong to your father, the devil, and you want to carry out your father's desires. He was a murderer from the beginning, not holding to the truth, for there is no truth in him. When he lies, he speaks his native language, for he is a liar and the father of lies - John 8:44”**

**L**ie kills the life is us. It leads some to the ends of the death. When the lie starts, it ends with the lie only. Lie will destroy the spirit. Once we start lying, our spiritual eyes will be closed. We don't know, where we are going. We can see many examples in the Bible that how the liars died. When see the story of Ananias and Sapphira - Acts 5:1-11, they literally died all of sudden due to the lie. That is their money, still the lie made them to die. You can the power of lie.

To have the better life you should not entertain the lie in any means. Lie may give the temporary benefit, but leads to the permanent damage. Godliness keeps us away from the lie. That leads us to the better life.

## **Develop positive thinking about you**

**“We may boldly say, The Lord [is] my helper, and I will not fear what man shall do unto me - Hebrews 13:6”**

**“Brethren, whatsoever things are true, whatsoever things honest, whatsoever things just, whatsoever things pure, whatsoever things lovely, whatsoever things of good report; if any virtue, and if any praise, think on these things - Philippians 4:8”**

**S**ometimes we think ourselves very low, due to the discouragements we faced. We feel that we cannot do certain things. This is otherwise we can say the negative thinking within us. Some people do not know their abilities. They think that they are weak. To prove our self in the better life, we must have the positive thinking about us.

**In my life from the childhood, I was the neglected child. Coming to the youth stage also, I**

**was rejected person. As I was the average boy in the studies, I thought that I was fit for nothing. In those days I use to feel, myself that I have no good future. When I accepted the Christ Jesus as my personal savior on 7<sup>th</sup> February 1972, which was the turning point for me. The negative thinking evaporated from me. From that day onwards, God gave me the positive thing for myself. It is leading me to the better life.**

## **Treat time as money**

**“Look carefully then how you walk, not as unwise but as wise, making the best use of the time, because the days are evil. Therefore do not be foolish, but understand what the will of the Lord is - Ephesians 5:15-17”**

**“So teach us to number our days that we may get a heart of wisdom - Psalm 90:12”**

**“Lord, remind me how brief my time on earth will be. Remind me that my days are numbered – how fleeting my life is - Psalm 39:4” “Lord, remind me how brief my time on earth will be. Remind me that my days are numbered – how fleeting my life is.” – Psalm 39:4**

**Y**ou must know the value of time. In other words people call “time is money” if somebody do not know the value of time, they will be trouble. We must count the time just like money. Sit at one place and write on paper, that how you are spending the time every day. When you come to know how you are allocating

the time for each and individual works. The way you allocate the time or spending the time will speak about you. If you have no time sense or use the time in the wrong way, you are in trouble. Punctuality makes some perfect.

Coming to my life, I allocate the time for every things according to the situation. I use to divide the time and allocate to prayer, to meditation of the word of God, reading the newspaper, to my wife, to my son, to others. The allocation excludes the regular routine works. As the matter of fact the way I count the time is making me to have the better life.

## Body Fitness

**“Do you not know that your body is a temple of the Holy Spirit within you, whom you have from God? You are not your own, for you were bought with a price. So glorify God in your body - 1 Corinthians 6:19-20”**

**“If anyone destroys God's temple, God will destroy him. For God's temple is holy, and you are that temple - 1 Corinthians 3:17”**

**The God who equipped me with strength and made my way blameless. He made my feet like the feet of a deer and set me secure on the heights. He trains my hands for war, so that my arms can bend a bow of bronze. You have given me the shield of your salvation, and your right hand supported me, and your gentleness made me great. You gave a wide place for my steps under me, and my feet did not slip - Psalm 18:32-36**

**B**ody is an important thing that God has given us. With this body we bound to glorify the God in all aspects. In the other words it says, the body is the temple of God. We must keep it holy and clean. The spirit of the God dwells in us and guides us to fulfill the plans of God in our lives. This body needs the fitness. As the spiritual exercise, we need the exercise for the body also. When you have the exercise to the body every day, it will give you the healthy atmosphere in the body. When the body is well the mind works well. This leads us to have

**the good way of thinking and the behavior. Healthy body resists the pressures of mind and the body. This leads you for the better life.**

**As for me, with spiritual exercise I do the physical exercise. The spiritual exercise strengthens the spirit. That makes you strong both in the spirit and body. Coming to the body exercise, I do the garden work minimum two hours, sometime another half an hour. This is making my body fit to do the daily works with any problem, even in this age of sixty two, I feel so healthy and energetic in the body. This making my spirit strong and leading me to have the better life.**

## **Good family life**

**“Honor your father and mother so that you may live long in the land the Lord your God is giving you - Exodus 20:12”**

**“Wives, submit to your own husbands, as to the Lord. For the husband is the head of the wife even as Christ is the head of the church, his body, and is himself its Savior. Now as the church submits to Christ, so also wives should submit in everything to their husbands... Husbands, love your wives, as Christ loved the church and gave himself up for her... In the same way husbands should love their wives as their own bodies. He who loves his wife loves himself - Ephesians 5:22 – 25 & 28”**

**“Children, obey your parents in the Lord, for this is right. “Honor your father and mother” (this is the first commandment with a promise), “that it may go well with you and that you may live long in the land.” Fathers, do not provoke your children to anger, but bring them up in the discipline and instruction of the Lord - Ephesians 6:1-4”**

**“If anyone does not provide for his relatives, and especially for members of his household, he has denied the faith and is worse than an unbeliever - 1 Timothy 5:8”**

God founded the family; Family is the foundation to the society; Prayer and the word of God is the foundation to the family. Family is having the physical responsibilities.

Husband must take care about wife and bound to love her. He needs to provide her needs. Same time wife also must submissive to the husband. Coming to the children, Parents must provide the needs of the children. Parents must secure the properties for the children. A healthy family follows the Biblical rules. Everybody must be in their own places in the family. If anyone cross the line or disobedient then the problem arise. If every family follows the Biblical rules, then we will have the better life.

## Relationship with former friends

**“One who has unreliable friends soon comes to ruin, but there is a friend who sticks closer than a brother - Proverbs 18:24”**

**“Whoever would foster love covers over an offense, but whoever repeats the matter separates close friends - Proverbs 17:9”**

**“A friend loves at all times, and a brother is there for times of trouble - Proverbs 17:17”**

friend indeed when we are in need. We need true friends who stand with us all times.

**A** As for me, I trust more in the friends than the relatives. A real friend feels happy in our developments. But the relatives feel the jealousy for our developments. I keep the touch with the relatives but the closeness with friends only. Sometimes I use to arrange the old friends meet. When we meet, we share the old memories and things happened in those days. As for me, when I had such talk, I feel happy the way God blessed me in all aspects.

God kept me in the high position comparing all of my friends. My friends also feel happy for the position God gave to me. I love to be good with friends and to do the needful help to them. Some of my friends are in the ministry. Some are in government services. Now-a-days, I meet the friends in the rare times. But became the close friend to Jesus, with whom I am spending more time. This is leading to the better life.

## **Come out from revenge**

**“Beloved, never avenge yourselves, but leave it to the wrath of God, for it is written,  
“Vengeance is mine, I will repay, says the Lord - Romans 12:19”**

**“For jealousy makes a man furious, and he will not spare when he takes revenge -  
Proverbs 6:34”**

**“Thus says the Lord God: Because the Philistines acted revengefully and took vengeance  
with malice of soul to destroy in never-ending enmity, therefore thus says the Lord God,  
Behold, I will stretch out my hand against the Philistines, and I will cut off the Cherethites  
and destroy the rest of the seacoast - Ezekiel 25:15-16”**

**“You shall not take vengeance or bear a grudge against the sons of your own people, but  
you shall love your neighbor as yourself: I am the Lord - Leviticus 19:18”**

evenge, we see this commonly in the people. When they have wounds of shame and  
**R**dishonor by others people or say enemies, they will hold this to repay them when  
situation allows them. This commonly exists in the humans. We can also say that may  
be the human nature. Keep the revenge spirit, we can have the peace in mind. Looking all

the time for the opportunity to pay back. This  
will damage your spiritual life also the physical  
health. I can say when are having such spirit  
that will be the first step for your down fall. How  
can a person come out from this kind of  
attitude? This is not possible for the human.  
This can be only possible in the Christ. If  
anybody in the Christ is the new creation.

**“Therefore if any man be in Christ, he is a new creature: old things are passed away;  
behold all things are become new - 2 Corinthians 5:17”**

**When you became the new creation, you’re thinking also will change. When we are new creation Christ, He told us the following words to do. This is possible only in Christ. This was my personal experience. Before I had the reborn experience, I use to have the spirit of revenge. Once Christ came into my heart, I have learned the following words of Christ.**

**“I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you - Matthew 5:44”**

**When you forgive the enemies, we feel in the mind and spirit the cool and peace. It gives us good health and strength in the spiritual life. This kind of situations will lead us to have the better life.**

## **Stop solving the wrong problems**

**“If your brother sins against you, go and tell him his fault, between you and him alone. If he listens to you, you have gained your brother. But if he does not listen, take one or two others along with you, that every charge may be established by the evidence of two or three witnesses. If he refuses to listen to them, tell it to the church. And if he refuses to listen even to the church, let him be to you as a Gentile and a tax collector. Truly, I say to you, whatever you bind on earth shall be bound in heaven, and whatever you loose on earth shall be loosed in heaven - Matthew 18:15-18”**

**“Blessed are the peacemakers: for they shall be called the children of God - Matthew 5:9”**

**A**s the head of the wide organization, I use to help the people when they have the problems. I use to make two parties to sit at the church office, by listening to problems, through the guidance of the spirit of God I solved many problems. They are living peacefully as the loving children of God. I use to feel happy by doing this. Sometimes there was the stuff issues were deal. My wife and son always tell me why you involve in the issue, when there is something wrong happening. Recently at the age of sixty two years, I have learned a better lesson. Then I accepted my wife and son's advices to

proclaim this statement “Stop solving the wrong problems” they both are our church members we performed their marriage in our church only. From the beginning days of the marriage the two families started the fighting’s. We can say they acted as worse than the non-Christians. We tried to help two families to come from that conflict to have the peaceful life. Instead of coming out from that, they attacked me. The girl’s mother set a lawyer notice to me. As for my knowledge, this kind of thing never happened in our church history. It made all the congregation sad. Then the saying of Jesus came to my mind.

“Jesus replied; it is not right to take the children's bread and toss it to the dogs - Matthew 15:26”

With my own experience telling this “Stop solving the wrong problems”

I love to live peacefully in my life; I try my best for that. People of my church and the area people know that well. By seeing the lawyer notice, my lawyer told me, Sir you have very good testimony in and out the church. Please do not try to help the wrong people. They will the mud on you.

“Stop solving the wrong problems” then you have the better life.

## Clear the Clutter in Your Life

So whether we are at home or away, we make it our aim to please him - 2 Corinthians 5:9

“Look not to the things that are seen but to the things that are unseen. For the things that are seen are transient, but the things that are unseen are eternal -2 Corinthians 4:18”

“We are always of good courage. We know that while we are at home in the body we are away from the Lord, for we walk by faith, not by sight. Yes, we are of good courage, and we would rather be away from the body and at home with the Lord - 2 Corinthians 5:6–8”

**I**n our life we will have the suffocated by objects both in the spirit and life. We need to learn to expel those objects. If there are spiritual, they bother us a lot in the spirit to grow. We need to expel those objects to have the better spiritual life. Those things will not allow us to pray and keep our mind busy for unwanted thinking. As for me I do this very often. I excel all kind of unwanted problems from my mind. It gives me the good sleep and health. Due to this reason only I am so healthy even in these sixty two years of age.

Coming to the Clutter in house, we need to expel those things from the house. As long we see them every day, they bother our mind. Sometimes it will take more time to expel that thing out. Due to our busy schedule or any other like that. I will give the things to needy people when it permits. Some time to throw in garbage. Whatever it may be the

Clearing the Clutter in house will keep us cool and lead us to the better life.

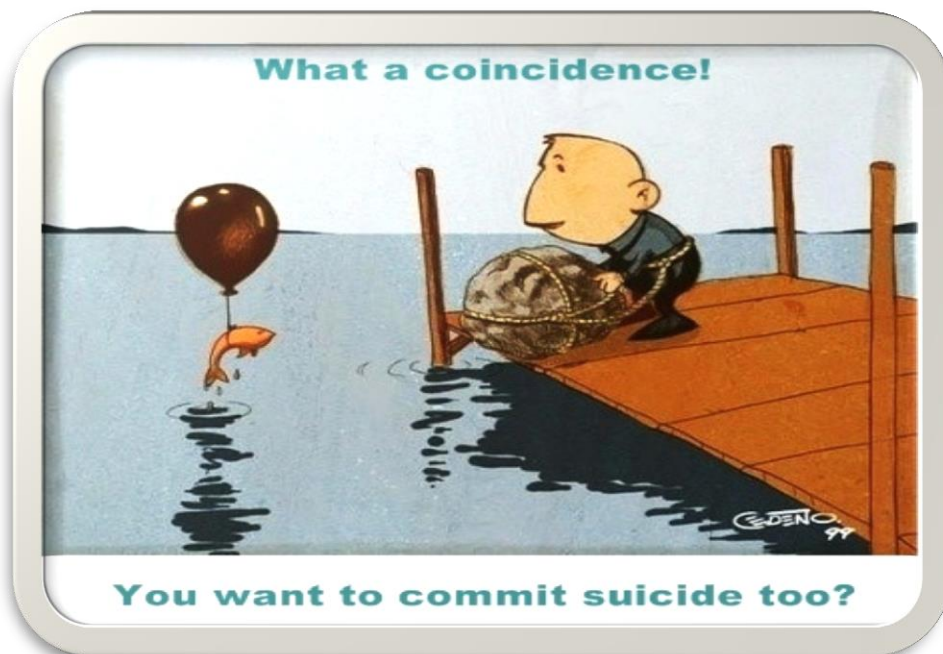

## Purpose of Coincidence

**“I am sure of this, that he who began a good work in you will bring it to completion at the day of Jesus Christ - Philippians 1:6”**

**“In him we have obtained an inheritance, having been predestined according to the purpose of him who works all things according to the counsel of his will - Ephesians 1:11”**

**“We know that for those who love God all things work together for good, for those who are called according to his purpose - Romans 8:28”**

**T**he things taking place in our lives has a purpose. Sometimes we witness something which may seem like a coincidence. Un-knowingly such things happen in somebodies life. There we feel it may be the will of God. As the matter of fact God conform His will sometimes like this. In my life many times I faced the situations like this. In my travel America, I pray to God for my travel there. God conform my visits through the Coincidence. When I followed the guidance of God, I was the wonders took place. We cannot say this lucky, we can say the provisions of God in our lives, which leads us for the better life.

## **Make yourself to do something just for fun**

**“Do not be over righteous, neither be over wise-- why destroy yourself? - Ecclesiastes 7:16”**

**“Let us sing unto the LORD: let us make a joyful noise to the rock of our salvation - Psalm 95:1”**

**“There is a time for everything, and a season for every activity under the heavens - Ecclesiastes 3:1-4”**

**“A time to weep and a time to laugh, a time to mourn and a time to dance - Ecclesiastes 3:4”**

**W**e generally busy with the works. We must give some time to spend happy with grand children or say something like that to play ourselves by forgetting our positions. I do this in my life very often. I feel free to play with my grandson like a kid. Grandchildren generally treat the grandparents as the living toys. They call us horse and want to ride on us. It makes us thrilling. My grandson holds my hair like his chariot control rope. When some of church members watch that, they surprise that how I became like toy for him. I really enjoy those loving movements. These kinds of situations are the part of our daily lives, which leads us to the better life

## Peace with an Enemy

**“I tell you who hear me: Love your enemies, do good to those who hate you, bless those who**

**Curse you, pray for those who mistreat you - Luke 6:27-28”**

**“Bless those who persecute you; bless and do not curse - Romans 12:14”**

**“We work hard with our own hands. When we are cursed, we bless; when we are**

**Persecuted, we endure it - 1 Corinthians 4:12”**

**“When a man's ways please the Lord, he maketh even his enemies to be at peace with him –**

**Proverbs 16:7”**

It is not easy to keep peace with the enemy. When have the forgiving nature, you can definitely keep the peace with your enemy. As for me, many people harmed me to destroy my live. God gave me the heart to love them and forgive their mistakes and keep peace with them. One day one of American friend asked me how it is possible for you to keep peace with the enemies. How you have forgot the damage they did to you. I can say there is no person on the face the earth, whom I cannot say, that I don't forgive him. Why,

what made me like that. The one only thing made me like that was; Jesus forgiven my sins and accepted me as His child. When he forgiven a wretch like me, what will made me not to forgive others. If I or some goes against this policy, Jesus gave this command in the Lord`s prayer.

“Forgive us our sins, as we have forgiven those who have sinned against us - Matthew 6:12”

We bound to forgive other, because He has forgiven us. We have no enemy other than Satan. We have to love every human being. This kind of nature leads u to have the better life.

## Constructive Argument

**“Remind them of these things, and solemnly charge them in the presence of God not to wrangle about words, which is useless and leads to the ruin of the hearers - 2 Timothy 2:14”**

**“Do all things without grumbling or disputing - Philippians 2:14”**

**“But avoid foolish controversies and genealogies and strife and disputes about the Law, for they are unprofitable and worthless - Titus 3:9”**

**G**enerally we face the situations for the arguments; your argument must be the Constructive Argument. Sometimes we argue for nothing. If you have confusion in that particular matter, you need to settle yourself first. When you go for the argument, you must have the hold the subject. Coming to the spiritual matters, the worldly people cannot understand the spiritual matters.

**“The person without the Spirit does not accept the things that come from the Spirit of God but considers them foolishness, and cannot understand them because they are discerned only through the Spirit - 1 Corinthians 2:14”**

**Do not go for the arguments with the worldly people, because they cannot understand the spiritual things. Coming to the general arguments, find out yourself where are you in the subject. Instead of failing in your argument, it's better to withdraw, and keep your place safe. If you think one hundred percent, that your argument is right, you can stand there to explain the things for the betterment of the people. A constrictive argument leads you for the better life.**

## **Do not entertain bogus things in Life**

**“Live in harmony with one another. Do not be proud, but be willing to associate with people of low position. Do not be conceited - Romans 12:16”**

**“Beware of practicing your righteousness before other people in order to be seen by them, for then you will have no reward from your Father who is in heaven. Thus, when you give to the needy, sound no trumpet before you, as the hypocrites do in the synagogues and in the streets, that they may be praised by others. Truly, I say to you, they have received their reward - Matthew 6:1-2”**

**“For the time is coming when people will not endure sound teaching, but having itching ears they will accumulate for themselves teachers to suit their own passions, and will turn away from listening to the truth and wander off into myths - 2 Timothy 4:3-4”**

**I**t is very easy to fall in the bogus or fake things. Coming to the Adam and Eve, they were unable to judge them self what is right. They have listened the fake story of Satan.

The result for the fake things, they fell into sin. In these days many people are falling in the fake things in their life. Fake buildup by showing themselves as rich for that they do all kinds of evil things and lying the people to proving themselves as the rich.

Coming to the spiritual life, the fake teachings will destroy the teacher and the people who follow them. We cannot cheat the people with fake doctrines.

**“Do not be deceived: God cannot be mocked. A man reaps what he sows - Galatians 6:7”**

Come out from the fake life both in the physical and the spiritual. That will leads you to the better life.

## **Be clear in goals and objects**

**“The plans of the diligent lead surely to abundance, but everyone who is hasty comes only to poverty - Proverbs 21:5”**

**“I do not consider that I have made it my own. But one thing I do: forgetting what lies behind and straining forward to what lies ahead, I press on toward the goal for the prize of the upward call of God in Christ Jesus - Philippians 3:13-14”**

**You take courage! Do not let your hands be weak, for your work shall be rewarded - 2 Chronicles 15:7**

**“Delight yourself in the Lord, and he will give you the desires of your heart - Psalm 37:4”**

**I press on toward the goal for the prize of the upward call of God in Christ Jesus - Philippians 3:14**

**L**ot of people are not clear in their goals and objects in the life. You need to keep your goals and objects on paper, same way in the mind. When you are specific in your attempts, there you will have the spirit of achieve the things. If you attempt one hundred percent, you may achieve eighty percent or some less. You need to have the plan and purpose to reach our goals.

**Coming to my life I was very clear about my goals. I**

**worked for them all these years and succeeding step by step. To reach my goals, I have not tried to divert my mind for any other unwanted things. Many people will fail here. They keep their finger in all areas; the result will be zero due to false attempts in the life. When you are specific in your goals and objects, you reach them and that gives you the better life.**

## Helping Hand

**“Religion that is pure and undefiled before God, the Father, is this: to visit orphans and widows in their affliction, and to keep one self unstained from the world - James 1:27”**

**“Do not neglect to do good and to share what you have, for such sacrifices are pleasing to God - Hebrews 13:16”**

**“But if anyone has the world’s goods and sees his brother in need, yet closes his heart against him, how does God’s love abide in him? - 1 John 3:17”**

**“For I was hungry and you gave me food, I was thirsty and you gave me drink, I was a stranger and you welcomed me, I was naked and you clothed me, I was sick and you visited me, I was in prison and you came to me.’ Then the righteous will answer him, saying, ‘Lord, when did we see you hungry and feed you, or thirsty and give you drink? And when did we see you a stranger and welcome you, or naked and clothe you? And when did we see you sick or in prison and visit you?’ And the King will answer them, ‘Truly, I say to you, as you did it to one of the least of these my brothers, you did it to me - Matthew 25:35-40”**

**B**ible is very clear that we need to help others. Lot of people are rich for themselves, they don't help others. Jesus told the Good Samaritan story for the people to be helpful to others. By helping to the needy and poor, you are helping God, because God cares for them.

Coming to our life and ministry, the secret for the success of the ministry is helping needy people. My father taught this great work. By doing this work we pleased God. Same time God blessed us a lot in our lives. There are days in our life that we gave to the needy that what all we have.

Sharing just one incident took place in our lives. Some of our church member's houses were burned in the fire accident. They are about fifteen families. They lost everything, and stood on the road for help. My wife and I visited them and consoled them. We purchased the utensils what all they needed for the immediate purpose with our own money. They are many incidents like this in our lives. This is the reason that why God blessed us. By helping others we will have the better life.

## Social Life

**“Do not merely look out for your own personal interests, but also for the interests of others  
- Philippians 2:4”**

**“Bear one another's burdens, and thereby fulfill the law of Christ - Galatians 6:2”**

**“So then, while we have opportunity, let us do good to all people, and especially to those  
who are of the household of the faith - Galatians 6:10”**

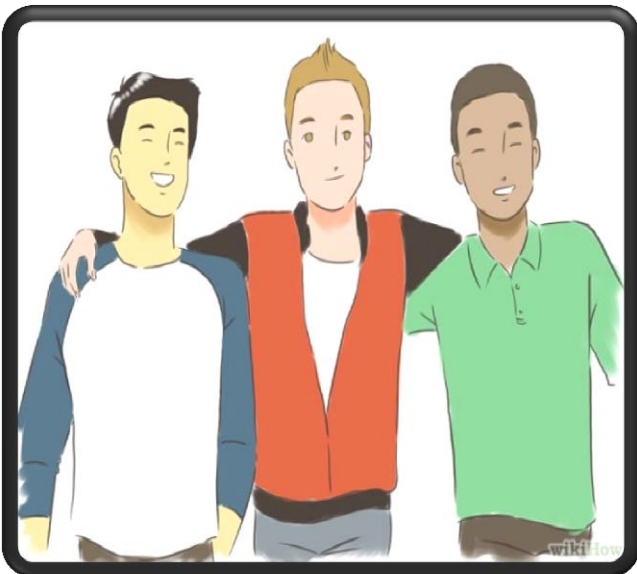

was the science student. According to science the human is called as the social animal.

**I** There is much difference between animal and the social animal. The meaning of the social is “Relating to society or its organization” we are living with the people and for the people. If we love God, we will love people, because the God manifested in the human lives. We are bound to live a life of social. Loving and caring the other people.

Some people keep themselves away from the people. They treat themselves as the Lord's. They treat the people like animals. Even the fake God servants do this kind of things. They

keep themselves in large mansions to live. The least bother about the poor people. When they preach, they tell many things for the poor care. They preach what they do not practice.

Coming to the life and ministry of Jesus, he worked among the poor and needy. He was cared for the beggars, widows, orphans and the needy. Jesus taught us through His life, to have the good social life.

## Daily Meditation

**Whose delight is in the law of the Lord, and who meditates on his law day and night. That person is like a tree planted by streams of water, which yields its fruit in season and whose leaf does not wither whatever they do prospers – Psalm 1:2 - 3**

**Jesus answered, "It is written: 'Man shall not live on bread alone, but on every word that comes from the mouth of God - Matthew 4:4"**

**“Then Simon Peter answered him, Lord, to whom shall we go? Thou hast the words of eternal life -John 6:68”**

**M**editation is an instrument that inflight the mind. You need to meditate; there is difference between the reading and the meditation. Lot of people read the Bible, so that they were unable to understand. When they do not understand, how can they follow that?

In my life also I did the same mistake in the early days. Was the Baptist man, Baptists are good in the Bible knowledge. I was very good in the scriptures. When I pray in those days, I use code many Bible references in the prayer. I can it was the preaching in the prayer. When I accepted the Jesus Christ as my Lord and

savior in the year 1972 February 7<sup>th</sup> at 7:30pm, then I came to know that the “knowing is deferent from being” that being comes from the meditation. We need to meditate the word of God that leads us in the better life.

## Keep up the Promise

**“If a man vows a vow to the Lord, or swears an oath to bind himself by a pledge, he shall not break his word. He shall do according to all that proceeds out of his mouth - Numbers 30:2”**

**“When you vow a vow to God, do not delay paying it, for he has no pleasure in fools. Pay what you vow. It is better that you should not vow than that you should vow and not pay - Ecclesiastes 5:4-5”**

**“I will not violate my covenant or alter the word that went forth from my lips - Psalm 89:34”**

**In our country most of the politicians do the falls promises in the election campaign. They will forget all those promises when come to the power. It's not only they, but also we. Many times we also break our promises. The word of God said your words must say yes or no.**

**“Let what you say be simply ‘Yes’ or ‘No’; anything more than this comes from evil - Matthew 5:37”**

**W**hen you do some promises whether it is to God or to the people, you need to stand for that. One of our church members uttered a promise that she will give the tithe to God's temple, if go through successfully the land sale. Everything went on well. She got the money. Then the problem started, think herself, how can I give the big money (tithe) to the temple of God. She failed with her promise by very small money to Gods temple instead of tithe. For the result of this she lost everything she owned. We do this kind of mistakes with people also. When we see the needy people, we feel in the heart to help them, once we get money to help them, our mind will change.

We must keep up the promises which we utter from heart and lips. That leads us for the better life.

## **Aloof from the disliking people**

**“Then I will tell them plainly, 'I never knew you. Away from me, you evildoers!' - Matthew 7:23”**

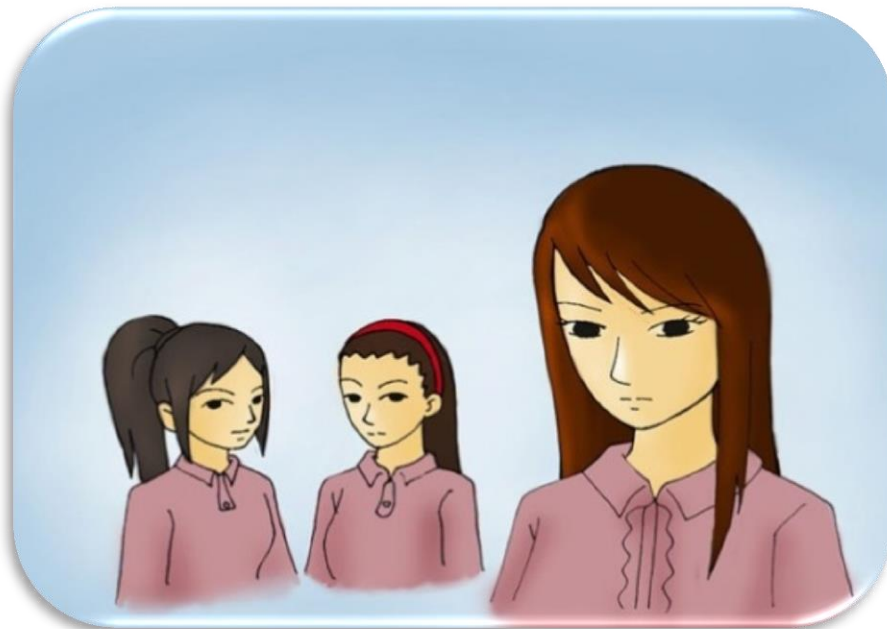

**“But actually, I wrote to you not to associate with any so-called brother if he is an immoral person, or covetous, or an idolater, or a reviler, or a drunkard, or a swindler--not even to eat with such a one - 1 Corinthians 5:11”**

**“Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful. But his delight is in the law of the Lord; and in his law doth he meditate day and night. And he shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season; his leaf also shall not wither; and whatsoever he doeth shall prosper. The ungodly are not so: but are like the chaff which the wind driveth away - Psalm 1:1-4”**

**“Blessed is the one who does not walk in step with the wicked or stand in the way that sinners take or sit in the company of mockers - Psalm 1:1”**

**When you dislike some, it is better to keep distance with them. If you are in the right way, your dislike will have the reason. That is enough to leave them. If you try to continue the relation with the disliking people, you will be trouble. Scriptures say something like this.**

**“Do not be deceived: "Bad company corrupts good morals" - 1 Corinthians 15:33”**

**I**t's advisable to leave the disliking people. In the other side, when you are there with disliking people, you are in the trouble. Some people will try to please the people. That's make them to go away from such people. For that, a scripture says.

**“Am I now trying to win the approval of human beings, or of God? Or am I trying to please people? If I were still trying to please people, I would not be a servant of Christ - Galatians 1:10”**

I myself follow this very strictly. Sometimes people think we are proud people. It doesn't matter; your decision of keeping the disliking people away from you will protect you from every danger. With life experience I am telling that by keeping the disliking away from us will give the better life.

## Get the things of long desire

**“One thing I ask from the LORD, this only do I seek: that I may dwell in the house of the LORD all the days of my life, to gaze on the beauty of the LORD and to seek him in his temple - Psalm 27:4”**

**“Take delight in the LORD, and he will give you the desires of your heart -Psalm 37:4”**

**“May you be strengthened with all power, according to his glorious might, for all endurance and patience with joy, giving thanks to the Father, who has qualified you to share in the inheritance of the saints in light - Colossians 1:11-12”**

**W**hat all we desire God will grant them according to His mercy. God did this in my life. My desire is to come for the full time ministry at the age of forty, He did it. I asked for the own house, He gave. I asked for the education, He gave the full education, say the twenty one years of study. I have long desire to write books, He fulfilled that now. I have the desire of do the gospel ministry through the satellite. He will do that. I got another desire to have the fifty thousand congregations in and out. He will do that. For that I need a large church building. I am Praying for one Cinema Theater to convert as the church. He will grant that. What all I want to tell here, our long desiring things must be the Godly and for the benefit of Gods work. God pleases Himself to help His children, by granting their long pending dicers. These desires will lead us to the better life.

## **Keep on smile frequently**

**“A cheerful look brings joy to the heart; good news makes for good health”-Proverbs 15:30**

**“A joyful heart is good medicine, but depression drains one’s strength” - Proverbs 17:22**

**A glad heart makes a happy face; a broken heart crushes the spirit. A wise person is hungry for knowledge, while the fool feeds on trash. For the despondent, every day brings trouble; for the happy heart, life is a continual feast - Proverbs 15:13-15**

**“Then our mouth was filled with laughter, and our tongue with shouts of joy; then they said among the nations, “The LORD has done great things for them.” The LORD has done great things for us; we are glad” - Psalm 126:2 – 3**

**F**ace is the index of heart. A cheerful face speaks about the joy of the heart. Smile is like medicine. It keeps heart healthy. There are some laughing clubs. They say that laugh will gives the good health. Sometimes people do the artificial laugh. That also speaks, they

are doing fake laugh. That’s also the sign of their heart. In some countries, they teach to keep the face smile. In our country nobody wishes anybody in the society. In my first visit to America, I saw the different thing with people. Anyone face on the road or anywhere, they just smile and say hello. We don’t know who they are, but their wish do something in us. I myself learned to be like that. That nature

**made me happy in the spirit; it will also give energy to the body. I am now sixty to years, I am so healthy. God blessed me with good health. I don't go to doctor. The reason for my health is, keeping myself happy and cheerful face with smile. How it will come to somebody? It will come with the love of God. When you have the love of God, you will be able to forgive others. When you have the forging nature, you will not have enemies. That nature gives you the joy in heart. That joy comes out through the smile on face. This will leads you to the better life.**

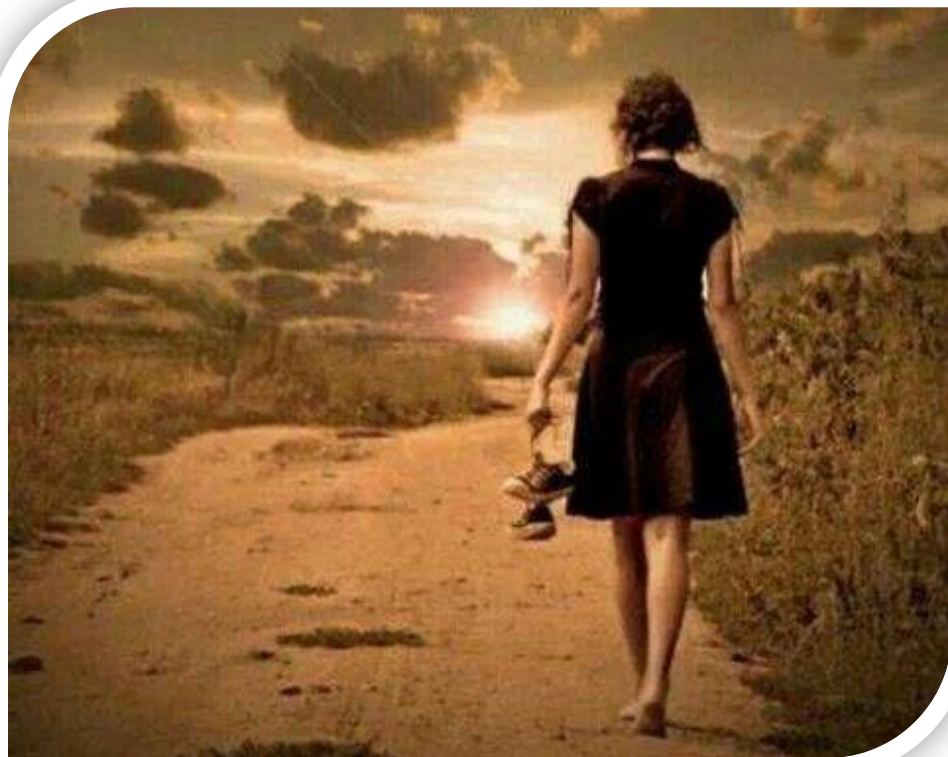

## **Say bye to old Memories**

**“Remember ye not the former things, neither consider the things of old - Isaiah 43:18”**

**“Jesus said to him, “No one, having put his hand to the plow, and looking back, is fit for the kingdom of God - Luke 9:62”**

**“One thing I do, forgetting those things which are behind and reaching forward to those things which are ahead. I press toward the goal for the prize of the upward call of God in Christ Jesus - Philippians 3:12”**

**I**f we do not forget the things of past, it is very difficult to go ahead in the life. Some time we have good memories. Most of the time, we may have the sad memories. If you remember the good things, it's ok to proceed in the life. But if you remember the past sad memories, you cannot pull on the life forward.

During my stay in America, I stayed in one of my friend's house, who was the deacon of the Baptist church. He was the good speaker and service oriented person. When it comes to the nights, he sits with liquor bottles and drinking with tears. He uses to cry all that drinking time. One fine morning I asked him about that drinking and crying. Then he shared his heart feelings with me. He was in the U S Army for some time. During that period, he was happened to take part in the Vietnam War. In the war he was happened to kill many people. He said those seen come to mind every day and me to cry. The problem here, he was unable to Say bye to old Memories. What is the result of this? He became the drug-addict. He was losing his health and testimony.

Coming to my life, I had enough things happened to me like this. The greatest gift God has given me was "Say bye to old Memories" even in the present problems also I follow the same system forget the past memories. Where we can get this system?

**"Come unto me, all ye that labor and are heavy laden, and I will give you rest - Matthew 11:28"**

Say bye to old Memories is possible only in the God. when God is in your heart, this is possible to you. This kind of life leads you to the better life.

## Word of appreciation to others

**A new commandment I give unto you, That ye love one another; as I have loved you, that ye also love one another -John 13:34-35**

**Greater love hath no man than this that a man lay down his life for his friends - John 15:13**

**“Be ye kind one to another, tenderhearted, forgiving one another, even as God for Christ's sake hath forgiven you - Ephesians 4:32”**

**A**ppreciation will boost a lot in the spirit. Many people don't like to appreciate others. They expect the appreciation for them, but they do that for others. The appreciation spirit comes from God. Unless you are the Godly person, you cannot appreciate others. Coming to the scriptures, He is appreciating His servants.

**“His lord said unto him, Well done, thou good and faithful servant: thou hast been faithful over a few things, I will make thee ruler over many things: enter thou into the joy of thy lord - Matthew 25:21”**

God gave the heart of appreciate others. In one of American trips, one of my American friends asked me a question by observing for long time. Pastor how can you appreciate every one? How it is possible? I told him, we can do that only in the God.

Your single word of appreciation

will boost other person a lot in the spirit. Same time he will have the gratitude towards you.

That makes you to lead for the better life.

## Self-Appreciation words

**“I can do all this through him who gives me strength - Philippians 4:13”**

**“I have died, but Christ lives in me. And I now live by faith in the Son of God, who loved me and gave his life for me - Galatians 2:20”**

**“I came to you in weakness—timid and trembling. And my message and my preaching were very plain. Rather than using clever and persuasive speeches, I relied only on the power of the Holy Spirit. I did this so you would trust not in human wisdom but in the power of God - 1 Corinthians 2:3-5”**

**T**his situation was really a pathetic in someone's life. I had this kind of situations in my life many times. There was nobody to appreciate me. Even my own brother and sister became against in that time. Instead of appreciating me, they did me social boycott. Nobody was talking to me. I felt the loneliness instead of the appreciation. In those situations God sent

**His servant console me and encouraged me**

**in the spirit. For this reason, I cannot forget man of God. Till today for any of our family or organization functions, we invite him as the speaker.**

**“If thou faint in the day of adversity, thy strength is small - Proverbs 24:10”**

**In our troubles and discouragements, we need to appreciate ourselves to stand firm in the life. That leads you to the better life.**

## **Know the requirement of people**

**“Religion that is pure and undefiled before God, the Father, is this: to visit orphans and widows in their affliction, and to keep oneself unstained from the world - James 1:27”**

**“What good is it, my brothers, if someone says he has faith but does not have works? Can that faith save him? If a brother or sister is poorly clothed and lacking in daily food, and one of you says to them, “Go in peace, be warmed and filled,” without giving them the things needed for the body, what good is that? So also faith by itself, if it does not have works, is dead - James 2:14-17”**

**“Whoever is generous to the poor lends to the Lord, and he will repay him for his deed - Proverbs 19:17”**

**W**e must know the needs of people. Help the people in their needs. To help the people, we must know what they actually need. Not that everyone needs the help of money all times. Money makes many things. It says it cannot do all things. Sometimes the person needs the compassion words. Sometimes they need our company. Sometimes the person needs the healing. All these things say that we need to know the need of the people. How can we know that? We must have the spirit of discernment. That will lead us to know the need the person. So that we can give the right helps for them to come from the troubles. When you know and do the needful help to the other persons, they will be thankful to you and keep the gratitude towards you. That will leads you to the better life.

## Leave the bad habits

**“That ye put off concerning the former conversation the old man, which is corrupt according to the deceitful lusts; and be renewed in the spirit of your mind; And that ye put on the new man, which after God is created in righteousness and true holiness - Ephesians 4:22 - 4:24”**

**“Or do you not know that the unrighteous will not inherit the kingdom of God? Do not be deceived: neither the sexually immoral, nor idolaters, nor adulterers, nor men who practice homosexuality, nor thieves, nor the greedy, nor drunkards, nor revilers, nor swindlers will inherit the kingdom of God. And such were some of you. But you were washed, you were sanctified, you were justified in the name of the Lord Jesus Christ and by the Spirit of our God - 1 Corinthians 6:9-11”**

**This is very important thing in our lives. God is holy; He expects us to be holy.**

**"Therefore, prepare your minds for action; be self-controlled; set your hope fully on the grace to be given you when Jesus Christ is revealed. As obedient children, do not conform to the evil desires you had when you lived in ignorance. But just as he who called you is holy, so be holy in all you do; for it is written: "Be holy, because I am holy -1 Peter 1:13-**

**16”**

**e need to submit our mistakes and sins at the feet of Living God for the forgiveness.**

**W** Here the problem is, every person thinks that he is doing right. He has nothing to confess or admit the sins at the feet of Living God. This is the reason why many people were under the control of Satan with the blind eyes. Scriptures are very clear that is no riches person on the face of the earth.

**“All have turned away, all have become corrupt; there is no one who does good, not even one - Psalm 14:3”**

**The best part in our lives is to come and submit ourselves to God by admitting all the sins we did against to Him and His Kingdom.**

**The best thing King David did in his life was, admitted his sins and left them.**

**“Then I acknowledged my sin to you and did not cover up my iniquity. I said, "I will confess my transgressions to the LORD." And you forgave the guilt of my sin - Psalm 32:5”**

**Once you admit your sins and trespass at the feet of Living God; He was so graces to forgive them.**

**“If we confess our sins, he is faithful and just and will forgive us our sins and purify us from all unrighteousness - 1 John 1:9”**

**Coming to my life every day in early morning prayers by 4:30am, the first thing I do was to confess any mistakes or sins I did till that time. When I did that, then I feel the presence of God around me. Then I pray as long as the spirit leads.**

**When we leave our bad habits, then we see the better life in ours.**

## Avoid the complaints

**Do everything without grumbling or arguing - Philippians 2:14**

**Let no corrupting talk come out of your mouths, but only such as is good for building up, as fits the occasion, that it may give grace to those who hear - Ephesians 4:29**

**“The people complained in the hearing of the Lord about their misfortunes, and when the Lord heard it, his anger was kindled, and the fire of the Lord burned among them and consumed some outlying parts of the camp. Then the people cried out to Moses, and Moses prayed to the Lord, and the fire died down. So the name of that place was called Taberah, because the fire of the Lord burned among them. Now the rabble that was among them had a strong craving. And the people of Israel also wept again and said, “Oh that we had meat to eat - Numbers 11:1-4”**

**M**ost of the people have this weakness. Through their complaining there fall in the troubles. Complaining is the process, once did complain, it will have its course of action. That will make to face the new problems in the life. A complaint of husband, wife, and children makes the family disturbances by facing the new problems. In the same way the church and the society complaints have its reactions. They may be bad and irreparable. Coming to my life, the complaints situation arises. The best thing I do in that situation, pray and see where the real problem is and straight myself, if there is wrong with me, if it is others, pray for them. This kind of aptitude in my life kept me peace with others which is helping to have the better life.

## Walk away from something you don't like

**“Do not set foot on the path of the wicked or walk in the way of evildoers - Proverbs 4:14”**

**“Turn not to the right hand nor to the left: remove thy foot from evil - Proverbs 4:27”**

**“Stay away from every kind of evil - 1 Thessalonians 5:22”**

**T**his is very important thing that we must follow. Otherwise you will face the troubles. Some people do not follow this due to other reasons like family people and the relatives. They stay with them even though they don't like. I have seen some people like that were kept in prison due to the other people crime.

In my visits to America, I met one Pastor/Prophet's wife. She told me an interesting story about her husband. The great man of God involved in the adultery with the girls in their camp ground. He did not care the people's advice to come out from that sin. God told the wife to keep away from him. She honored the command of God. After few days, the great man of God faced the car accident and died at the spot. His pet dog, which was with in the car also died with him. The pastor's wife realized, if don't listen Gods word, I could die with him in the car accident.

As for me, I follow this very strictly. Some people say that I am the proud person. Some people say that I am policy person. Whatever the people says about me it doesn't matter. The policy "Walk away from something you don't like" is helping me a lot and protecting me from problems. This kind of nature leads me to have the better life.

## **Make self-service**

**“Prepare your work outside; get everything ready for yourself in the field, and after that build your house - Proverbs 24:27”**

**“Commit to the LORD whatever you do, and he will establish your plans - Proverbs 16:3”**

**“Be diligent in these matters; give yourself wholly to them, so that everyone may see your progress - 1 Timothy 4:15”**

**D**uring visits to America, the best part I liked there was the self-service. Most of the homes they do their work on their own. Keep servant made is very expensive there.

Because I stay in their houses, I do my job myself. Doing every ones job on their own, keeps good health. It is one kind of exercise. That keeps the body fitness.

Coming to my personal life, I love to do the self-service. We have servant maids in the house. I love to do my works myself. Unless it is important or need some to help me, then only I use the servant maid help. This makes me healthy in the body. I really don't do the exercise by going to gym. When we work the mind also will be sharpening. When you don't make yourself busy with works, then the diseases come on you with great love to lead you to the sickness. The secret of my good health is the self-service. Say do my works myself, which leads me to have the better life.

## **Make new friends**

**I tell you, use worldly wealth to gain friends for yourselves, so that when it is gone, you will be welcomed into eternal dwellings - Luke 16:9**

**“Be kindly affectionate one to another with brotherly love; in honor preferring one another  
- Romans 12:10”**

**“Let no corrupting talk come out of your mouths, but only such as is good for building up, as fits the occasion, that it may give grace to those who hear. And do not grieve the Holy Spirit of God, by whom you were sealed for the day of redemption. Let all bitterness and wrath and anger and clamor and slander be put away from you, along with all malice. Be kind to one another, tenderhearted, forgiving one another, as God in Christ forgave you -  
Ephesians 4:29-32”**

**To make new friends, you need to give time and attention towards the other people. When you have new friends, you will learn new things. A friend is needed when we are in the need. New friends will help you extend your boundaries. People also learn the good things from you. It is like give and take proses.**

**Coming to my life, I always look for the new friends. I have the gift of making friends. As I am happening to be the Pastor, talk to everyone whom meets in every day. They the way I talk to them. Through this I am getting new friends personally and new members to our church. This is one of the secret of our church growth. This kind of habit lead us to the better life.**

## Loving pets

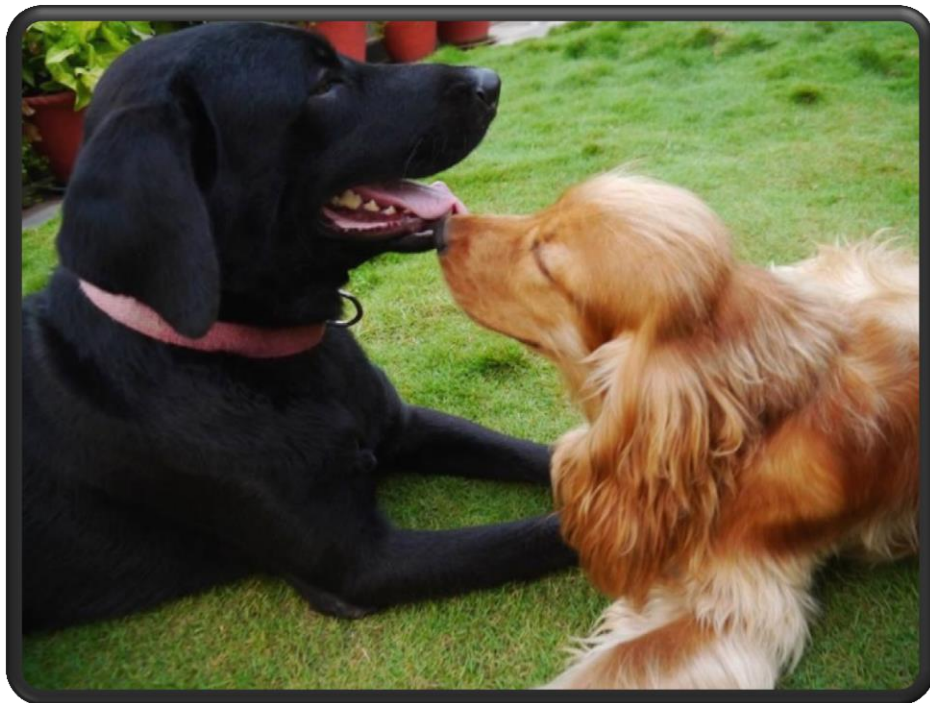

**“God said, “Let the earth bring forth living creatures according to their kinds—livestock and creeping things and beasts of the earth according to their kinds.” And it was so. And God made the beasts of the earth according to their kinds and the livestock according to their kinds, and everything that creeps on the ground according to its kind. And God saw that it was good - Genesis 1:24-25”**

**I**t is good to have pets in home. It may be costly for some people. If you can afford pets, it is really good. In the olden days where there was no electronic communications, people used to use the birds to send messages. Coming to the Bible, Noah used the crow and

dove to know the position of the flood. There you can see the difference of the two birds. The dove gave the right information to Noah. In these days people use the satellites for the kind of purpose.

Coming to my life, we have two dogs, two parrots and a fish in my home. After my morning prayers, I go to the terrace to keep the birds for the free air. When I go to them, they look very anxiety towards me. When I say to them say Jesus, they immediately respond to me by repeating my words. That's really makes me happy.

Coming to the dogs, I can say there are more faithful then human. I release them in the early morning for the nature calls. They do their job and come and play with me. They both have the competition to keep my attention towards them. I really love them. I treat them as my children. It really makes me something to have the better life.

## Clear the Doubt

**“Whoever has doubts is condemned if they eat, because their eating is not from faith; and everything that does not come from faith is sin - Romans 14:23”**

**“Let him ask in faith, with no doubting, for the one who doubts is like a wave of the sea that is driven and tossed by the wind - James 1:6”**

**“So the other disciples told him, “We have seen the Lord.” But he said to them, “Unless I see in his hands the mark of the nails, and place my finger into the mark of the nails, and place my hand into his side, I will never believe. “Eight days later, his disciples were inside again, and Thomas was with them. Although the doors were locked, Jesus came and stood among them and said, “Peace be with you.” Then he said to Thomas, “Put your finger here, and see my hands; and put out your hand, and place it in my side. Do not disbelieve, but believe.” Thomas answered him, “My Lord and my God - John 20:25-28”**

ot of people thinks that the Thomas was the doubting person. They call him as “Doubting Thomas “as the matter of fact he wants to clear the doubt. After clearing his doubt, he became the great servant Jesus. He came all the way from Jerusalem to India, and served Jesus here by proclaiming the Gospel to the gentiles. The strong Hindu leaders killed him by throwing the spear while he is preaching. The spear was gone into his body from the neck to the end of body. He became the martyred for Jesus as he was cleared the doubt, he stood as the witness for the Jesus generations to generations. This kind of nature leads some to the better life.

## **Do something useful**

**“Anyone who has been stealing must steal no longer, but must work, doing something useful with their own hands, that they may have something to share with those in need - Ephesians.4:28”**

**“Withhold not good from them to whom it is due, when it is in the power of thine hand to do it - Proverbs 3:27”**

**“Therefore, as we have opportunity, let us do good to all people, especially to those who belong to the family of believers - Galatians 6:10”**

**Doing something useful is a good habit. It makes both parties happy. One who did, one who received it. Most of the people will fail here. They do useless works very often. Godly people always do things which are useful.**

**Useful things are not only the materials but also the spiritual. Train the people spiritual by doing useful things in their lives.**

**During my work at Ship Yard, I started the prayer cell during the break time. Generally people love to rest on that time and do have chit chat. The spirit of the God guided me to start the prayer cell. The prayer cell did great job in the lives of the people who attend and also many prayer cells started in the deferent department in the Ship Yard's left the Ship Yard after eighteen years of service for the full time ministry. The Ship Yard people call's me as the father of prayer cells in Ship Yard. That was the great honor for me.**

## Casual service to someone

**“In reply Jesus said: “A man was going down from Jerusalem to Jericho, when he was attacked by robbers. They stripped him of his clothes, beat him and went away, leaving him half dead. A priest happened to be going down the same road, and when he saw the man, he passed by on the other side. So too, a Levite, when he came to the place and saw him, passed by on the other side. But a Samaritan, as he traveled, came where the man was; and when he saw him, he took pity on him. He went to him and bandaged his wounds, pouring on oil and wine. Then he put the man on his own donkey, brought him to an inn and took care of him. The next day he took out two denarii[c] and gave them to the innkeeper. ‘Look after him,’ he said, ‘and when I return, I will reimburse you for any extra expense you may have -Luke 10:30 -35”**

**T**he Priest and the Levite who are people leaders supposed to help the people neglected their responsibility. The Samaritan, who is having no business to do this, took the responsibility to rescue someone who is in trouble and the need. This is ministry Jesus likes. We help to the known people, that great, anyone can do that. Helping the unknown people will be counted by God. It may call as the causal service, but it has its own meaning with God.

In my life these kind of things will take place every often. As for me, I love to service the people. This is one of the secret of our church growth. One fine day we found one beggar died on the road side. His daughter attends one Baptist church. She least was bother to take care about the father and the burial. Me and my wife went there and took the all the responsibility of the burial with our money. People thought that we are mad. Yes, we are mad to serve other people in the need. This incident brought some people to our church. Works will speak louder than speech. By doing the causal service to the people you feel happy and make God happy. This kind of ministry leads you to the better life.

## Think before you Ink

**“Wise people think before they act; fools don’t—and even brag about their foolishness. An unreliable messenger stumbles into trouble, but a reliable messenger brings healing. If you ignore criticism, you will end in poverty and disgrace; if you accept correction, you will be honored. It is pleasant to see dreams come true, but fools refuse to turn from evil to attain them. Walk with the wise and become wise; associate with fools and get in trouble. Trouble chases sinners, while blessings reward the righteous. Good people leave an inheritance to their grandchildren, but the sinner’s wealth passes to the godly. A poor person’s farm may produce much food, but injustice sweeps it all away. Those who spare the rod of discipline hate their children. Those who love their children care enough to discipline them. The godly eat to their hearts’ content, but the belly of the wicked goes hungry - Proverbs 13:16-25”**

**I**t is necessary to think before we ink. Many people fail in their life attempts due to this reason. Emotional acts will give the bad results. Wise man always takes time to act. We have to do this in the talk also. Scriptures says.

**“My dear brothers and sisters, take note of this: Everyone should be quick to listen, slow to speak and slow to become angry - James 1:19”**

**C**oming to my life, my father taught this. We were succeeded in our lives by following that. When we think before we ink, on mistakes takes place in the life. My father was a silent person. He was not the speaker or leader. As he was only son, he use to feel loneliness in the life and very careful in his actions as there was nobody with him. If he takes any fast and wrong decisions, he has to face alone. By keeping that mind, he used to think before ink. That policy made him as the senior engineer in the Ship Yard where he worked all of his life time. He taught this lesion through his life. We followed that and succeeded in our life to have the better life.

## **Allow healthy criticism**

**“If you listen to constructive criticism, you will be at home among the wise - Proverbs  
15:31”**

**“A fool despises his father's instruction, but whoever heeds reproof is prudent - Proverbs  
15:5”**

**“Like a gold ring or an ornament of gold is a wise reprove to a listening ear - Proverbs  
25:12”**

**Most of the people don't like the criticism. They want to listen all kind flattering  
M** words, which leads them to destruction. Wise people will always welcome the  
healthy criticism. That makes someone to take strong decisions in the life.  
Healthy Criticism will reveal our mistakes. I am talking about the healthy criticism. Evil  
criticism leads to discouragement. When we come to the life of Jesus on the face of earth,  
He asked the disciples, what the people are saying about me.

**“Jesus went out, and his disciples, into the towns of Caesarea Philippi: and by the way he asked his disciples, saying unto them, whom men say that I am? - Mark 8:27”**

Coming to my life I always love to hear the healthy criticism. I have some close people with me. I use to ask them what the people are saying about me. Sometime, the answers may hurt me, but they are truths to learn and set right in my life. Same way, I ask about my preaching. Ask the matter of fact, a preacher receives the message from God and delivers that to people. Sometimes preachers will with that. We can say there are the false preachers. Its look nice to say other preachers are false preachers, but we don't know we may in that list knowingly unknowingly. Due to this reason, I ask my people about my preaching. I can tell proudly for the glory of God; due to this kind of heart only, God using me for His glory even in the sixty two years of age. This kind of attitude leads us to the better life.

## **Do not be Emotional**

**“Search me, O God, and know my heart; Try me and know my anxious thoughts - Psalms 139:23”**

**Trust in the LORD with all your heart And do not lean on your own understanding. In all your ways acknowledge him, And He will make your paths straight - Proverbs 3:5-6**

**“By faith he lived as an alien in the land of promise, as in a foreign land, dwelling in tents with Isaac and Jacob, fellow heirs of the same promise; for he was looking for the city which has foundations, whose architect and builder is God - Hebrews 11:9-10”**

**W**e do not control our Emotions; Emotions will control us. Lot of people will here. Emotional decisions in the life and family gives very bad results. Some people have this kind of emotions even in the spiritual life. When have the emotions, you are opening the doors for the Satan (light of angel). Very often we see this kind of things in the churches. There are wrong concepts in the churches. Coming to the Pentecostal churches. There is no Pentecostal church. Pentecost is the festival. On that day they received the Holy Ghost. That was the right concept. Coming to the petticoat church they think speaking in tongues are their property. To prove that sometimes they allow the light of angel unknowingly to speak tongues. That was the reason Paul told the church of Corinthian about the tongs very clearly.

**“Tongues, then, are a sign, not for believers but for unbelievers; prophecy, however, is not for unbelievers but for believers - 1 Corinthians 14:22”**

**We need the revival not the emotions. When you have the revival you will grow in the personal life and family including the church. This will leads us to have the better life.**

### **Practice the cool life**

**“Make your ambition to lead a quiet life: You should mind your own business and work with your hands, just as we told you - 1 Thessalonians 4:11”**

**“let your adorning be the hidden person of the heart with the imperishable beauty of a gentle and quiet spirit, which in God's sight is very precious - 1 Peter 3:4”**

**“for kings and all who are in high positions, that we may lead a peaceful and quiet life, godly and dignified in every way - 1 Timothy 2:2”**

**W**e to Practice the cool life to live good ourselves and keep others cool. Some people always make things complicate to bother themselves and bother others. When you practice the cool nature, you will be away from the all kind of diseases effect through the mind. Most of the people use to suffer with this kind of diseases to leads them

to the heart operations. One Christian doctor of England investigated that those who do not have love of God will effect with blood pressure. This is the foundation for all the diseases.

During visits to America, I was happened to go with a friend as the attender, to a doctor, whose name is Stone. I was sitting there with the friend in front of the doctor. My friend told doctor that he came all the way from India to see me. Then doctor pleased with that word and told me pastor I will do the free health check for you. I told him I was fine. He forced to go for the checking. After the watching all the reports, he said God blessed with good health. You take everything cool. Only problem will drag you to blood pressure are any kind of those diseases like heart attack.

I can tell through my life experience that you will get this cool nature only in God. You can take things easy. God himself told us to keep our burdens on Him.

“Come unto me, all ye that labor and are heavy laden, and I will give you rest - Matthew 11:28”

When we are with Jesus, He will give us the peace which leads us to the cool nature. That will give us the better life.

## **Make everything in your life as History**

**“Remember this, and show yourselves men; Recall to mind, O you transgressors. Remember the former things of old, For I am God, and there is no other; I am God, and there is none like Me I make known the end from the beginning, from ancient times, what is still to come. I say, my purpose will stand, and I will do all that I please - Isaiah 46:8 -10”**

**O**ur today's life will be the tomorrows history. History repeats. You must like an historical person. Come to the kind of history, the good and bad. King Jeroboam created a bad history for him. From to the next generations God mentioned that those people also fall like the King Jeroboam.

**“He did evil in the eyes of the LORD, as his predecessors had done. He did not turn away from the sins of Jeroboam son of Nebat, which he had caused Israel to commit - 2 Kings 15:9”**

We need to create the good history. King Jotham took the father works as the model and implemented those things. That was the history of his father which was good for the future generations.

**“He did what was right in the eyes of the LORD, just as his father Uzziah had done, but unlike him he did not enter the temple of the LORD. The people, however, continued their corrupt practices - 2 Chronicles 27:2”**

**I believe the statement “Make everything in your life as History” for that reason I lived all of my life with care to keep the model life to the coming generations. As St. Paul said we must continue to life with fear and trembling.**

**“Therefore, my dear friends, as you have always obeyed--not only in my presence, but now much more in my absence--continue to work out your salvation with fear and trembling -  
Philippians 2:12”**

**Because of this kind of life, he made himself as an historical man. We are now taking him as the model. Your model life will become the history for the future generations. I love that and trying my best to sand as the history for the future generations. I believe that God will help to continue my remaining to live for Him. This kind of ambition leads you to the better life.**

## **Do not entertain the lies**

**“You belong to your father, the devil, and you want to carry out your father's desires. He was a murderer from the beginning, not holding to the truth, for there is no truth in him. When he lies, he speaks his native language, for he is a liar and the father of lies – John 8:44”**

**L**ie is the nature of Satan. Who wants to live in the lie are the children of Satan. Do not entertain the lies in your life any time. this we learned from our parents. Mostly our father was very strict in this matter. When we lie, the punishments were very strict. Our father was the man of integrity. We learned the deplane life through our fathers particle life. He use to explain to us thought the scriptures, what will happen to the people who love to live in lies.

**“The cowardly, the unbelieving, the vile, the murderers, the sexually immoral, those who practice magic arts, the idolaters and all liars--they will be consigned to the fiery lake of burning sulfur. This is the second death -Revelation 21:8”**

When we keep away from the lies, we live happy and godly life. That leads us to have the better life.

## **Be a Good Father**

**“Fathers, provoke not your children to wrath: but bring them up in the nurture and admonition of the Lord - Ephesians 6:4”**

**“Train up a child in the way he should go: and when he is old, he will not depart from it - Proverbs 22:6”**

**“The father of the righteous shall greatly rejoice: and he that begetteth a wise [child] shall have joy of him - Proverbs 23:24”**

**I** know many fathers who don't care the children. In our church many young people are living with the lack of fathers love and care. Their father never purchased any other needs. They work for their needs.

During my visits to America, was preaching in church about the love of parents, one you girl came to after the church service and told me; Pastor this message was not for me. I asked her why"? I don't know my parents, if any time I found them, I could kill them. I

can understand her pain. I just prayed for her. I found much parent care less children around the globe.

Coming to my, life, I was blessed a lot to have a loving father. My father was the great man. He did so much for us. When he has no good cloths, he uses to buy new cloths for us. He lived for us. He gave good education and the better life to us. The wonderful thing he gave to us was the disciplined and godly life to us. When he died we all four bother one sister cried like little children. By that time we were all grown up and in good positions.

I was unable to come out from shock. About one full month I use to go and sit at my father tomb in the late nights. He came in the vision to our elder brother and said why you are very much crying for me. You all will come our place very soon. We all live together the Living God for ever. Do not cry for me, fulfill the work God has given you. Then we were consoled and moving with the works of God. On the foot side our father tomb, we wrote these words “ We owe to our father, because he sacrificed his life for us” as the fathers, if we live thins kind of life, we will see the better life.

## **Be a Good Mother**

**“Children are an heritage of the LORD: and the fruit of the womb is his reward - Psalms 127:3”**

**“Her children arise and call her blessed; her husband also, and he praises her -Proverbs 31:28”**

**“Jesus turned and said to them, "Daughters of Jerusalem, do not weep for me; weep for Yourself and for your children - Luke 23:28”**

**Mother is the important in human lives. Even at the cross, Jesus taught us for the care of mother.**

**“When Jesus saw his mother there, and the disciple whom he loved standing nearby, he said to her, “Woman, here is your son, and to the disciple, “Here is your mother.” From that time on, this disciple took her into his home - John 19:26-27”**

**Many did her job according the God plan and  
Mproved her the best. If she fall anywhere in the  
childhood of Jesus, the story will be deferent.**

**Mother will play the whittle roll in the child’s life.**

**Some mother`s in these days do lot of harm to the  
children. I know some women left the children and  
husband, gone with some other man. Some mother`s**

**encourage the children for the bad things. I know one mother and daughter have one boyfriend.**

**Coming to my life, my mother uses to take me with her to the evangelism works, as she was happened to be the Bible woman. She uses to tell me the stories of Bible heroes. Those stories turned my mind towards to become the great servant of God. She taught me about the prayer thought out her life. She did the practical teachings. This kind of mother makes the children to live as the great vessels for the Christ. This will lead some to the better life.**

## **Be the Good Children**

**“All thy children shall be taught of the LORD; and great shall be the peace of thy children  
- Isaiah 54:13”**

**Children's children are the crown of old men; and the glory of children are their fathers -  
Proverbs 17:6**

**“I have no greater joy than to hear that my children walk in truth - 3 John 1:4”**

**According to the scriptures children are bond to respect the parents.**

**"Honor your father and your mother, so that you may live long in the land the LORD your  
God is giving you - Exodus 20:12”**

**T**he children must honor the parents to have the long life. In these days many children are rebels and ungodly. The result of that, they are dying in the early stage. I know some children threatened the father we will kill you don't keep quit with our evil acts. I saw those children bad ending in the lives.

Coming to our family, we were the blessed children to our parents. We have never raised our voice against the parents. They did good things for us. Even though they were unable to give the best things, still they are the parents. It is the bound duty to honor the parents. Here we can see the better life.

## My Personal experiences to have the better life

### As the Child

**I** was the rejected child, my mother after blessed with two sons and she was looking for a girl child. As she came to know by the nurse that she was giving birth to a boy child again, she doesn't want to see my face. She has not seen my face for week days. My maternal uncle Rev. Gompana Peter came to my mother and me. He came to know that my mother don't want see my face. Then he gave the prophecy that this boy will become the great servant of God. That was the prophecy, led me to the better life.

**My mother used to take me with her to the door to door ministry with her, when I was little boy. I use to watch my mother's teachings to the Hindu people about the Christ Jesus. As the little boy, by watching that, I use to think become like to present Jesus Christ to the people. As I am growing, at age around nine years, I started to distribute the Gospel tracts to the people door to door and also on the roads.**

**One day one bus driver called into the bus, asked me to tell about Jesus Christ. As the little boy, I presented Jesus Christ to him with my little knowledge. He felt happy and gave me some sweets to eat and also gave some money. I was so encouraged by that and thought to become the good preacher in the future life. Later on i came to know that bus driver knows our family. My parents shared with what the bus driver told them. The bus driver told my parents that I will become the great servant of God. Time to time I am getting the conformations about my future.**

**Coming to the church and the Sunday schools, I was the Sunday school student. While I am sitting at the Sunday school class, by seeing the teacher, I use to think myself to become the Sunday school teacher in the future. In every situation and the circumstances, I use to think myself for the better life. I believe that the God fulfill our desires.**

**“Delight thyself also in the LORD; and he shall give thee the desires of thine heart - Psalm 37:4**

**“May he give you the desire of your heart and make all your plans succeed -Psalm 20:4”**

## As the Youth

When I came to the stage of youth, I became the Sunday school teacher. I thought **W**hat I have achieved my goal to become the Sunday school teacher. I want be the better Sunday school teacher. I use to Spending much of my time for the preparation of Sunday school lessons and the new songs to teach the children.

After that I was joined with the youth wing in the church. That was called as the “Christian Endeavor” I was the member in that. While I was sitting in the youth meeting, thinking myself to become the leader for that. It took place on one fine day. I became the secretary for the youth wing. As I had the experience of distributing the tracts and preaching, I implemented those things in the youth. They already have those projects. What I did was the effective work. The labor gave the good results. In any situations and the stages, I want to be the better.

**That spirit made me to gather around thirty young people to live for Jesus and do the effective work to reach the people with message of Jesus. It was like the fire brand to do the God's works. We conducted number of youth Rally's and the meetings in different places around our city. Slowly people started to recognize me as the leader. I can say I was the best youth leader.**

**In those days one National Youth Conference was happened to take place. That program sponsored by an organization called Christian Dynamics. Youth were invited from all over the country around one thousand. They were treated well and gave the travel expenses to every youth. That was the very good youth meet. They watched my silent works and zeal to do the God's works, one Rev. K Vijay Kumar director of one big organization, recommended my name to conduct the National Youth Conference. It was a very successful youth conference. That prompted me to the city leadership. I want be best in every event. That zeal leaded me to the better life.**

## As the Adult

hrough the guidance of God and silencer work I was promoted to the city leadership.

**T**Even in this position, I want to be the best. That spirit of desiring led me to the better life. In the early age I became the adult leader in the city besides the mother church. By the grace of living God I worked with the National and International organizations to conduct the large public meetings and the National youth meetings. I have learned a lot through that leadership experience. Our city Visakhapatnam is one of the large cities in our State of Andhra Pradesh, India. I gave the details of that ministry in book “Journey of Life” here important point was the desire of mine to have the better life led me and made me like that.

## **As an International Speaker**

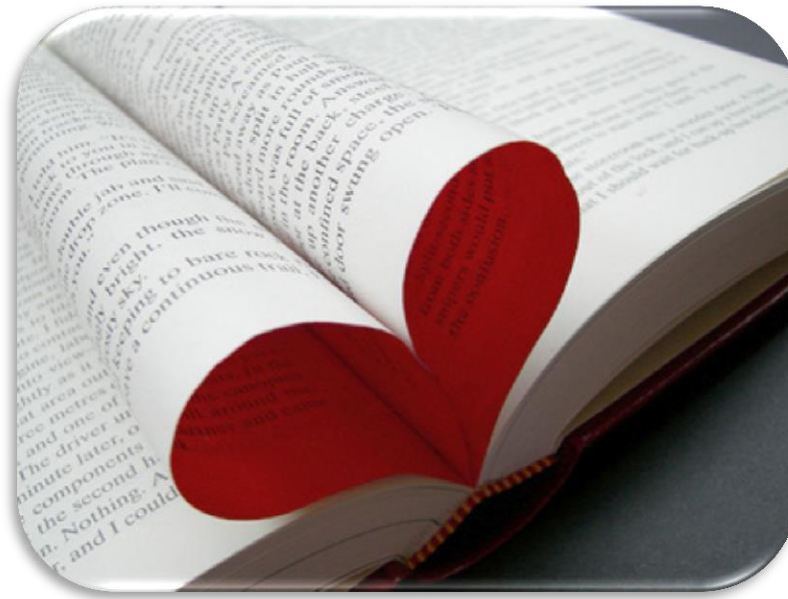

**“Do you see someone skilled in their work? They will serve before kings; they will not serve before officials of low rank - Proverbs 22:29”**

**I**n my first visit to America in 1993, I was very much blessed to preach in the public meetings. Same time I helped a church for seven months as the pastor. I was preached every Sunday in that church. My services increased the number of that church. Then the next years traveled all over the America to many states to preach in the different churches, Radios and Televisions. From 1993 till this year, God was used and using me largely in that country. I want to be the better in every situation. That led to have the better life.

I can proudly say that God helped me in the entire journey to stand for Him to be the best. Better life in the childhood; better life in the youth; better life as an adult in and around the world.

## Word from my heart

**T**his book I wrote from my heart and life experiences, by coding the scriptures. Everything must coincide with the scriptures. Do not accept any words or doctrines which will not coincide with the scriptures.

There was an example for this. One speaker was preaching a church. That was the Baptist church. Baptists are good in Bible knowledge. When he saying something, there was an old lady sitting in front of him, immediately saying that was the statement of the particular man. When he coded another statement, she was immediately saying that was the statement of another particular man. He was vexed with that old lady and finally he said you old lady setup your mouth. Immediately that old lady said this was the statement from you.

What I want to tell you through this example was. Do not follow anyone, who does not follow the scriptures. Word of God only stands and leads to live for Him.

## **Final word**

**How can we have the better life? Is that through our efforts? Or with our abilities? Or with our education? According to the Bible we live here on the face of earth for seventy or eighty years.**

**“Seventy years are given to us! Some even live to eighty. But even the best years are filled with pain and trouble; soon they disappear, and we fly away - Psalm 90:10”**

**Most of the people plan for this life on the face of the earth to have the better life. They least bother the life after this where we live forever and forever.**

**We need the Better life here on the face of earth and also the better life in the Heaven.**

**“Physical training is of some value, but godliness has value for all things, holding promise for both the present life and the life to come - 1 Timothy 4:8”**

**The Better Life here on the face of earth, which was purely temporary.**

**The Better Life in the Heaven which is ever lasting.**

**Through the reading of this book, we reached to a final point that we will have The Better Life only in the God.**

**Everyone must practice the Godliness here on the face of the earth, that gives The Better Life here on the face of the earth and in to the coming world where we live with God forever and ever.**

**May God bless you and grant you “The Better Life”.**
